SOUTH PERTH

JUNIOR FOOTBALL CLUB (Inc)

2013 YEAR BOOK

CLUB SONG

We're the mighty team from South Perth

We're the mighty fighting rays!

Ooh, ooh, ooh

We play it hard and we play it tough
But we play it fair and square

1, 2, 3, 4

All for one and one for all
That's the way at South Perth

We are the mighty fighting rays

Yeh!!

PRESIDENTS REPORT

Welcome to the inaugural South Perth Junior Football Club 2013 year book. It is the result of the terrific efforts of our energetic Cub Committee, particularly John Carter, Caitlyn Rothnie and David Fare.

From a team perspective, the Club is finishing another successful season. SPJFC Y8 Green, SPJFC Y9 Green, SPJFC Y10 and SPJFC Y11 are all competing in the 2013 finals series. This

is a credit to the teams, their coaches and team officials as well as the parents and supporters.

To all of the SPJFC Auskick, modified and youth teams, you have all performed fantastically this year. You have all been well behaved, supportive of the umpires and you have all contributed to the positive game day environment.

Congratulations to all of you!

The SPJFC is a large junior football Club. It needs the efforts of dedicated volunteers to operate successfully and this year has been no different. Thank you to all of the parents and supporters who have volunteered their time to be goal umpires, water carriers, runners, interchange officials and first aid.

The 2013 Club Committee has been outstanding. It has been a tough year but the committee has been fair and reasonable with the all of the issues before it and it has invested a tremendous amount of its own time to make sure that the Club is well run and organised.

The City of South Perth is well underway with the planning of the new mixed-use facility to replace the well used and worn Ernest Johnson Reserve Clubrooms. After years of travelling to other Clubs and being envious of their new and modern facilities, our Club deserves the benefits of a new home for its players, parents and supporters.

This year also saw the initiative of celebrating our Life Members in a special day of football and recognition. It was an outstanding day which I know the Life Members thoroughly enjoyed and it has helped to return our Club to its community base.

To our sponsors – thanks! Without you, the Club could not afford to do things it does. To our Gold Sponsor Ian Hutchison and Associates, you have financially supported our Club for many years. You have asked for very little in return but you enthusiastically approach us each year and handover your substantial support. Just outstanding commitment!

To our other sponsors including IGA Como, you help keep our Club successful and I and all of the other members sincerely thank you for your continued support.

Going forward, the Club needs parents to join the committee and participate in the continued success of this Club. A number of the current committee will retire this year after many years of service. It is a great opportunity to renew and bring new energy and excitement to the Club.

I strongly encourage you to be part of the management of this great Club. You will be advised shortly about the 2013 Annual General Meeting so please keep this date and time free so that you can attend.

The Club is in a great position to win Premierships this season. Even if your season has ended, please keep an eye on the finals fixtures and come down and support the SPJFC teams.

Please have a safe off-season and we look forward to your return for season 2014.

Go Stingrays!
Lindsay Albonico

Our South Perth Junior Football Club's Objectives are:-

1. To foster and support the ongoing development of the sport of Australian Football within our local community.
2. To actively participate in the Perth Demons District Junior Football Competition by fielding teams, where possible, in the Auskick, Modifieds and Open Rules competitions.
3. To abide by the Rules, By-laws, Codes of Conduct and directions as determined by the Perth District and WAFC, ensuring a safe environment for our children to play football and building stronger community relationships.
4. To encourage our club values of good sportsmanship, teamwork, responsibility, respect, leadership, commitment and community participation amongst all our players and parents.
5. To ensure the financial viability of the club and maintain a not for profit sports association. SPJFC is incorporated under the Association Incorporations Act and governed by a voluntary group of committee members that oversees the operation of all football activities within the club.

INAUGURAL PATRON - ALLAN STILES

I started my football career at the South Perth Junior Football club at the age of 8 in the Under 14s team the 'Mosquitoes'. We played in yellow cotton shirts with a green cotton number and I wore number 4. There was no real competition, just a march past and knock out (round robin) day. We received our first jumpers in 1959 and they had a yellow background with a green stripe, green around the armhole and a green collar with white numbers.

During my time at the Club I played in three Premiership sides and in every Perth Combined side from when I was 12 until I left. I won my first trophy in 1956 for only missing 2 nights of training. My mother used to work at the cinemas and I was meant to be home by 5 o'clock and I was always in trouble, I didn't tell her where I was or that I was even playing football until I brought home my trophy!

I was exceptionally lucky at South Perth to have very good coaches and good teams. In 1965 I went to Perth Football Club and won a Premiership and Fairest and Best in their Colts. I made my League debut in 1966 and won the Reserves Fairest and Best in 1967 and 1968 and in 1968 won the Prendergast Medal, Fairest and Best in the competition, and a Reserves Premiership. I went on to play 150 games, three State games and in the 1970 game versus South Australia won

the Simpson Medal. I was made a Legend of the Club in 2009. I retired from football at the age of 27 and went onto a very good career in Football Media.

At the age of 19 I started with the old Grand Theatre Company in their Advertising Department working my way up to Advertising Manager and then General Manager. In 1987 I ventured east for a few years as Managing Director of a film distribution company called Seven Keys. I then returned to Grand Cinemas and with my cousin Colin started the Grand Theatre Company of today. Grand Cinemas now operate six sites with 39 screens and are the second largest independent cinema

group in Australia. I was awarded Australian Cinema Pioneer of the Year in 2003, WA Cinema Pioneer of the Year in 2010 and am Chairman of the Motion Picture Benevolent Fund.

I am honoured and humbled to be the inaugural Patron of the South Perth Junior Football Club.

TREASURER'S ANNUAL SUMMARY

The 2013 season has been a financially positive year for the South Perth Junior Football Club (SPJFC). With a healthy account, we can continue to improve club facilities and provide opportunities to our junior footballers. However, one of the club's key financial challenges in the near future is to be prepared for the proposed new clubrooms at Ernest Johnson Oval, due for completion around 2015/16. While this development will provide improved facilities, it also requires significant financial commitment from our club. So we need to continue building our financial position.

The following summarises key incomes and outgoings for the year.

- Current registration fees cover direct player costs and basic running of the club. This includes insurance for players and property, Perth Football Club registration, trophies, team photos and annual year book, umpire fees, first aid supplies and training, district carnivals, coaches' accreditation and development, food and drink at SPJFC player events and oval marking.
- Larger specialty property items, such as new jumper sets, this year's new shelter tents and the canteen's bain-marie, come from the generous financial provision of our many sponsors. IAN HUTCHISON REAL ESTATE remains the principle club sponsor, continuing their loyal support. COMO IGA has also provided generous financial and material assistance to the club throughout the year. Please support all our sponsors as they are great local businesses within our community.
- Sponsorship is also supplemented by government grants. A significant achievement this year was receiving a \$3,000 Healthway grant, in recognition of the club's healthy environment. There was also record participation in the government's KidSport initiative, which provides financial support for player registration to families in need.
- Our major fund-raising event was the annual parent's social night, held in June. Around 150 parents had a wonderful evening with excellent music provided by one of our own Auskick parents and his band. Feedback from the night has been very positive. I had a fantastic night and would encourage all the club's parents to come along next year to help grow our local football community.
- A great new initiative this year has been the "Stingrays 100 Club", which involves an annual \$100 donation. It is a fabulous way for parents, extended family, friends and local businesses to provide financial support on a small scale to our junior football club, particularly for those who cannot volunteer their time or services. We have seen membership grow to nearly 40 and are hoping to make it 100 members next year! So please come and join in the new season!
- Our canteen continues to provide a steady source of revenue. This year, our Auskick players have received weekly encouragement awards, with vouchers for food and drink from our canteen. This has helped with increased patronage especially from our younger player group.

Caitlyn Rothnie
2013 SPJF Treasurer

SOCIAL NIGHT

This year's club social night was held on Friday night, 14 June at the South Perth Civic Centre and was attended by approximately 160 people. It was great to see not only a heap of parents make the effort to attend but also to be joined by life members, club sponsors and VIP's was outstanding. The night was full of networking, drinking, dancing and laughter, with music provided initially by a DJ and then we were rocked by The Mad Agents until the lights were turned back up and it was time to head home.

During the evening, we recognized our main club sponsors, Ian Hutchinson Real Estate and Como IGA for their continued support of our club and junior football in general. Steve Lally of Ian Hutchinson Real Estate conducted the auction of various pieces of AFL merchandise and other items that were all highly sought after.

Items auctioned included –

- A Tendai Mzungu signed playing jersey, photo opportunity and tour of the Dockers facilities at Fremantle oval (x 2)
- A Sharrod Wellingham signed playing jersey, photo opportunity and tour of the Eagles facilities at Subiaco oval (x 2)
- Corporate box for 10 people at Lathlain Park to watch a Perth Demons home game.

Special mention and thanks must be made to Steve Smith (Past SPJFC President) who purchased both Mzungu experiences and donated one back to the club that was later raffled at our Club Day in August that helped raise additional funds for our club.

In addition to the live auction we were also able to run several silent auctions, with thanks going to various club sponsors and individuals who kindly donated goods and services for this. The silent auctions were again very well supported and overall the night proved a huge success for our fundraising activities for the season.

While a social night is a lot of fun for all attending, a great deal of work and co-ordination goes into the planning, set up and clean up of the event. This year we had a Social Committee who were in charge of the night, Frank Arangio, Caitlyn Rothnie and John Carter. Their efforts must be applauded for not only organizing a great night but also achieving a great result in fund raising from the night.

A special thank you is extended to Frank Arangio & family who worked all night behind the scenes to ensure that the function ran smoothly. The last of Frank's boys had finished playing with the Stingrays in 2012 and his commitment and passion to the club was evident by his continuation on the committee for the 2013 season. Frank is leaving our committee at the end of 2013 and he will be sorely missed.

Thank you to all those helpers who stayed behind at the end of the night to help clean up. Your efforts and assistance were appreciated, plus it meant we could get out before the 1.30am curfew.

Finally, if you have a passion for the club or just want to help with this or any other activity please consider joining the committee for the 2014 season.

BUDDY PROGRAM 2013

Season 2013 again saw the running of our Buddy Program, which had its inaugural season in 2007 and continues to prove an outstanding success and great club building exercise.

The Buddy Program essentially sees our Yr 6 players "buddied up" with our senior team for a group training session and senior game day. This year that was our Yr 11 team and their coach (and

past SPJFC player) Beau Wardman and his support crew did an outstanding job in organising a memorable training session.

Beau and his team managed to organise some past SPJFC players, Tendai Mzungu & Fraser McInnes who have gone onto forge AFL careers to attend the training session which proved a massive hit with the younger boys. The training session was held on a Wednesday night and culminated in a group BBQ afterwards which allowed the boys to mingle and get to know each other a little better

The younger boys were also included in the pre match warm up and half time and full time player address when the Yr 11 team played Ellenbrook at our home ground that also coincided with the running of our Club Day on the 4th August.

Overall an outstanding experience for all players, coaches and parents who were involved in this year seasons event and I know that this years Yr 5 players are very excited about their turn next year!

AUSKICK REPORT – SEASON 2013

Firstly to state the obvious what a great season 2013 has been, I can say this as I personally have had a great time and with all the wonderful positive feedback from parents and kids, I'd say they all agree.

It's been a busy season with a huge group for the Training only kids, with a massive turnout each week. With all the work they're doing they'll be well prepared for next seasons Sunday morning games.

The year 1-2 teams have been overflowing with numbers this year with the coaches doing an amazing job of keep them engaged and developing some fantastic skills, something that has been very clear as we hit the half way point of the season, there's a lot of superstar sports boys and girls out there.

The year 3's have made quite the impression on the other clubs that they've played, this being their first year of playing away games we've have nothing but praise from the opposing clubs on their football expertise and that they are just great kids, clearly a product of great coaching too.

Throughout the season we've been lucky enough to have been invited to represent girls junior football at Patterson Stadium at the Eagles vs Essendon half time game...under lights.

We had a HUGE turnout from SPJFC at the Belmont Gala day, fast paced football, game after game after game, with the training only kids joining us for the first time, there was a lot of footy mad happy kids that day that had loads of fun.

SPJFC held a hugely successful family day with the highlight being the inflatable equipment for the kids, EJ's was a buzz with footy, excited kids (big and small), giveaways, and the smell of a fired up sausage sizzle. There was a great feeling of club pride in the air this day and when this happens all the hard work the committee does is without a doubt worth it.

Events like these don't just happen without the help of coaches, managers, parents, brothers and sisters and grandparents. So thank you all for ALL for your help with the events this season from the big ones to games on Sunday to helping with training on Tuesdays.

As my first and not my last year as auskick coordinator I have really loved being apart of the club. Thank you to so many parents that made the job that much smoother, I look forward to another season next year.

We have a fantastic club at South Perth with some really amazing parents, we could not offer such a wonderful club to the kids without the help from you all, it can't be said enough how much it is appreciated.

Good luck to the current year 3's moving up to modified footy and to the rest of you I really hope to see you all next year.

GO STINGRAYS!!!

Olivia Raison
2013 SPJFC Auskick coordinator

SOUTH PERTH JUNIOR FOOTBALL CLUB DAY 2013

The inaugural South Perth Junior Football Club day was held this season on a beautiful sunny winter's day, Sunday 4th August. Everyone that took part will no doubt agree that it was a fabulous event full of football and fun, generating a great community spirit. Some have even hailed it as "our finest day as a Junior Footy Club" and "a wonderful advertisement for junior football and the SPJFC".

Hundreds of people from our local football community gathered at Ernest Johnson Ovals and got involved in:-

- Auskick and Modified games
- Youth football game, with our most senior team's (Year 11) playing their last home game
- Bouncy castle extravaganza
- Handball clinic with heaps of fantastic football give-away prizes
- Half time "little stingers" league match from our youngest football group

There were free sausage sizzles supported by Neighbourhood Watch, as well as providing their important community information, second-hand junior stingray jerseys on sale, a raffle prize that made all of us envious of the winner (especially "all us" Docker fans!!!) and a magnificent performance by our Year 11s that set themselves up for a great run into the finals campaign.

Five past SPJFC presidents attended the day and presented the end of game awards to our Year 11 team. The president Trinity-Aquinas Amateur Football Club (a local senior football club), was also in attendance to address the team and award 4 TAAFC jerseys to outstanding players on the day. This show of support helps to give all our club's members a pathway into senior football. The strength of our football community was also demonstrated by the attendance of 11 life members, at least 15 past players (a number of which played in the 2003 finals series) and past player's parents. This was outstanding, given they no-longer have any direct active involvement with SPJFC.

The day was not without hiccup, with some late re-scheduling of games, under estimation on attendance and some confusion on volunteer requirements for the activities. But the overall success of the day definitely overshadows these minor issues and prepares us for a bigger and better Club Day next season. The committee thanks all those volunteers involved on the day, because without your help the day would not have been so successful. Thanks also go to our football community which showed amazing interest and support for our inaugural Club Day.

So next season, keep a watch out for the SPJFC Club Day, near the end of the season, as we will be planning for more football fun, celebrating our most senior team's last home game and building on our great community spirit.

2013 AUSKICK GALA DAY AT BELMONT JFC

We had a great turn out for the annual Auskick gala day

Two year 3 teams, one year 2 team, one year 1 team and over 20 training only kids.

We had over 60 kids representing SPJFC which was great. As the afternoon kicked off the kids flowed in, slid straight into their footy jumpers then hit the oval for a warm up. We looked like a well oiled machine with coaches (some original some coach for a day) getting the kids running, kicking, marking all in the name of getting the kids focused on the games ahead.

After the initial warm ups and march through along with the other clubs the day finally got off to a start.

It was the first year the training only kids joined us at the gala day and what a great turn out, unfortunately they were slightly short changed with getting a bye for 1 out of 2 games but the game they did play they gave it all they had.

There was high speed agility, fierce passion to get their hands on the ball, team work to get the ball down to their end of the goals and the continuous determination to get the ball in the goal posts.

After 20 minutes of play they raced up to their parents with faces the colour of beetroot and smiles from ear to ear and collapsed in exhaustion. Maybe one game was enough after all, I know they'll be back next year that's for sure.

The year one team had a very successful day as they made their way from one end of the field to the other and back again, game after game after game, this didn't slow them down though each

game they gave it all they had with many goals kicked and great encouragement from the parents on the sidelines.

The year 2 team also had a great day being lead by a dad that offered his services for the day (not usually a coach) and did a fantastic job of organizing the kids and getting them to the right ground on time, the year 2's being veteran players by now had it all under control working together to dominate in their games, with only one hiccup of the afternoon of having a player pulled up for playing to well for a year 2, that's just how we roll in South Perth people, we're superstars!

The year 3's had bigger challenges on their hands with the competition picking up the paces in this age group, these kids play hard and have a ball doing it. Some seriously great football by the year 3's the coaches and parents should be very proud to have a group of kids that give it all they've got and have fun doing it.

All in all a very successful day, I look forward to next years Belmont Gala Day.

Thanks to all the parents that helped with coaching, getting kids in uniform and supporting both the kids from our club and other clubs we had lots of positive feedback from other clubs parents about how supportive we are which makes me very proud to be apart of SPJFC.

Olivia

OUR PURPOSE

POSITIVELY & FUNDAMENTALLY CHANGING PEOPLES
MINDSETS BOTH PERSONALLY & PROFESSIONALLY

Our Philosophy at Wedge Consulting is to continually develop solutions for the changing needs of our clients, both present and future. Following are the current Programs and Services that we have developed and use with clients dependent on their requirements.

Programs:

- Strategy, Business & Marketing Plan Program
- Business Acceleration and Accountability Program
- Inner Game Life Mastery™ Program
- 5 Pillars for Business Alignment
- Executive Coaching/Leadership Training (1 on 1 or Group)
- Mentoring Programs (1 on 1 or Group)
- Lean Stream Lining of Business Processes
- Business Alliance Formation and Strategy Program
- Business Advisory/Coaching Programs - Kickstart - Essentials - Maximiser - Accelerator

Products:

- SuccessPlanning™ Kit – How to build and run an Annual Planning Conference that works
- Business Plan, Action Plan, Marketing Plan and Budget Templates on CD
- Your Goals Your Life™ – How to design and plan your life on CD
- Business Owners Success Guide – Best Selling book on building a successful business

Workshops:

- Inner Game Life Mastery™
- Business Success Secrets
- LIVPACS™ – 7 Factors for Business Success
- SalesSuccess™ – How to build top performing sales people
- Driving the Growth of Your Business Through Customer Service
- Your Goals/Your Life™ – Designing a Winning Life
- TeamSuccess™ – How to build a fully engaged Team
- LeadSuccess™ - How to build a Business of Leaders

TESTIMONIALS

We would prefer our clients to talk about what we do and the results they have achieved from working with us. Following are some of the many testimonials we have received from our clients:

Wedge Consulting was engaged to oversee 5 engineering drafting companies form an official alliance to offer increased capacity and target larger projects in the mining and resources sector. This project was fraught with difficulty due to the fact that we were also competitors.

Wedge Consulting guided us through the process and along the way opened our eyes to many potential traps and difficulties that we could not have imagined before starting this process. We are now well placed to go to market with this exciting new product. Without Wedge Consulting steering the ship and putting together the Strategic Business & Marketing Plans I don't believe we could have achieved what we have especially not in the time it has taken.

Rapid Alliance
Geoff Osborne
Director and Board Member

I am very pleased to recommend Wedge Consulting to you. I first approached Wedge Consulting because I was looking for a fresh approach to a significant failing in my franchise group in Australia and New Zealand. Their quick understanding, empathy and problem resolution methods reassured me I was on the right track and my concept of introducing an independent third party was as an important element as the resolution program itself.

I am happy to recommend wedge Consulting and to take any calls seeking further information on them.

Colin Bareham
General Manager
Valet

Since dealing with Wedge Consulting my business has grown, we have additional staff and have policies and procedures in place to assist with the future of the business. My business would not be in the position it is in at this stage without assistance of Wedge Consulting.

Ruth Newman
Director
Ruth Newman Architects

Wedge Consulting conducted a business analysis on our organisation and identified a number of areas in which we could do things better, from systemising the business through to pro-active planning and strategy.

Wedge Consulting has assisted us in putting together a clear and documented Strategy, Business and Marketing Plans, Systems and Reports and an Employee Reward & Recognition Program.

If you want to build a business that is going to grow and be sustainable in to the future, I recommend you engage Wedge Consulting to assist you.

EPM
Mark hanks

100 CLUB

This season saw the introduction of our "100 CLUB" initiative, with the support shown by those members that joined far exceeding our initial expectations for our first season target.

As a result of this tremendous support, funds raised from the 100 CLUB donations were able to be put towards –

1. New playing jumpers for our Auskick teams. This was done in conjunction with our major Auskick sponsor COMO IGA.
2. Our inaugural CLUB Day on the 4th August, which proved an outstanding success.

It is envisioned that the funds raised each year from this initiative will be put towards enhancing every child's enjoyment of being a member of the South Perth Junior Football Club.

We extend a huge thank you to all members who signed up to the "100 CLUB" and cannot express our appreciation enough for your contribution to the on going success of our club.

We hope to see your name associated with this club again next season along with many new members as we strive to ensure that our club remains financially strong and that the children of our South Perth community are able to enjoy all the benefits that our club can offer.

As a community football club we are constantly relying on sponsorship in order to run our club for the benefit of all our members.

In order to assist with this we are introducing the "Stingrays 100 Club".

The premise of this club is to give all parents, extended family, sponsors (past & present) along with others from the wider South Perth community the opportunity to be formally involved with securing our club's future by making a small donation that will hopefully become an ongoing annual donation from each 100 Club member.

Parents and extended family members may choose to only donate while their child is involved with the club or they (along with sponsors, past players etc) may decide to continue to donate for a number of years following the end of their formal involvement with the club, thus ensuring the future of the club for generations to come.

This additional funding will ensure that our club remains financially strong and that the children of our South Perth community are able to enjoy all the benefits that our club has to offer.

Your donation of \$100 will be formally recognised during the season via various resources available to the club.

The funds raised will be used for the sole purpose of improving our children's experience with our club..

Thanking you in advance

PERTH FOOTBALL CLUB DEVELOPMENT SQUADS

South Perth Junior Football Club involvement in the Perth Football Club Development Squads (October 2012 to September 2013)

Each year, a number of talented South Perth Junior Football Club players are nominated to take part in the Perth District Development Squads, starting at age 14. The aims of these squads are to further develop the Perth district's (both metropolitan and country zones) young players in the skills of Australian Rules football. At South Perth Junior Football Club we are very fortunate to have several players chosen each year to attend these Development Squads.

The list of the South Perth Junior Football Club players attending the Perth Football Club Development Squads (October 2012 to September 2013) are tabled below.

In addition to attending the 2013 XVIs Development squad, Zachary Hill went on to win the Troy Cook Courage Award at the 2013 Robert Wiley Foundation Annual Dinner. An outstanding achievement.

2013 Colts

Dylan	Biggs	South Perth JFC
Dylan	Cox	South Perth JFC
Anthony	Brogan-Henry	Railways FC/South Perth JFC
Marc	Mather	South Perth JFC
Harry	McInnes	South Perth JFC
Josh	Rouphael	South Perth JFC

2013 XVIs Development Squad

Clint	Chivers	Mingenew FC/South Perth JFC
Zachary	Hill	Northam Saints JFC/South Perth JFC
Bailey	Nisbett	South Perth JFC
Bradley	Pattison	South Perth JFC
Robert	Walker	South Perth JFC

2012 15s Development Squad

Early DOB (Jan-Jun)

Clint	Chivers	South Perth JFC
Zachary	Hill	South Perth JFC
Tristan	Jackamarra	South Perth JFC
Bailey	Nisbett	South Perth JFC
Damian	Ruedavey	South Perth JFC

Late DOB (Jul-Dec)

James	Corner	South Perth JFC
Mackenzie	Long	South Perth JFC
Quinton	Narkle	South Perth JFC
Bradley	Pattison	South Perth JFC
Harrison	Sankey	South Perth JFC
Josh	Siegert	Goomalling JFC/South Perth JFC
Robert	Walker	South Perth JFC

2012 14s Development Squad

Early DOB (Jan-Jun)

Lachie	Glasfurd	Moora JFC/South Perth JFC
Campbell	Luers	Kellerberrin JFC/South Perth JFC
Anton	Scotney	Moora JFC/South Perth JFC
Benito	Velho	South Perth JFC

Late DOB (Jul-Dec)

Declan	Radomiljac	South Perth JFC
Zareth	Roe	South Perth JFC

Bold indicated WACFL Registered Players attending PSA

Also congratulations to the SPJFC players nominated for this year's Perth Development Squads:-

Year 8 Green - William Hadlow, Isaac Stokes and Jerome Woods

Year 8 Gold - Dane Mephram, Jaielyn Kill and Jeffrey Yueng

Year 9 Green - Jack Collard and Michael Tarzia

Recover from Injury and Pain in half the time

The e-cell™ provides pain relief by encouraging cellular regeneration

"The range of conditions that the device could assist in treating is endless. It has the Potential to be used in postoperative care for joint replacements, as well as in elite athlete recovery and for the weekend warrior gym goer who goes a bit too hard"

Harry Banyard – Edith Cowan University School of exercise and health sciences

The e-cell has been successful in treating the following muscular skeletal conditions:

- Results of Sprains, Trips & Falls
- Muscle Spasms & Cramps
- Bruising, Inflammation & Swelling
- Ankle and Knee Pain
- Mid & Low back Pain
- Shoulder & Elbow Pain
- Muscle Tendon Strains
- Shin Splints
- Worn Cartilage
- Tendonitis & Bursitis
- Osteoarthritis
- Osteoporosis

PAIN FREE
it's a great feeling.

To find out more about how the e-cell™ has assisted others, go to.... www.meditechnology.com or call 1300 764 117

WHY DO YOU COACH?

Have you ever sat down and really thought about why you coach?

As a coach of junior football it is a very important question to answer. Most of us do it because we have our own child involved in the sport and it is a chance to connect with them and also their friends. In essence we want to do it. It's a choice. It is crucial though that you do it because you want to make it an enjoyable and challenging experience for the players.

So what should I be doing as the coach?

Taking training and conducting match day operations are the prime roles. But whether you know it or not you are a role model, a teacher and a huge influence on whether the players under your guidance continue in the game beyond your coaching involvement.

Most coaches I've found want to teach young players about the game as they believe it should be played. Fundamentally you want to improve their skills and how they can implement their skills in a game so it links with the rest of the team and there is some system of playing that is evident.

In junior coaching winning is a fact of life. Most of those playing will want to win, but it is not the main reason children chose to play sport. Research has consistently shown they play mainly for the friendships, be they existing or new ones, the enjoyment of the involvement and the development of their skills - they want to get better. If none of these factors are catered for it won't matter if you win, they won't enjoy it and are unlikely to come back next year.

So do coaches coach to win? Of course they will, but it is more important that they try to make each player better and to get the team to display team work with the objective of scoring. In essence that is the game, trying to create ways to score.

However, I believe the best way a coach can observe and assess the team is that the players are trying to do what they have been taught in a competitive game. Seeing their skills, decision making and team work improving is the key goal of a coach. If these improve it will result in goals being scored and possibly the team winning, but the process is more important than the end objective of scoring or winning.

If we worry too much about winning we may hinder certain aspects of a player's development. We need them to take chances and to extend their skill. If they can play with freedom within structure, and know they will not be punished or chastised for their errors, they will be more responsive to what they are being asked to attempt.

Coaches by nature can be pessimists and get frustrated because errors occur. But we have to accept errors if we want to extend players. If an error occurs we need to look at it and see whether it was a result of a skill deficiency, a decision making choice, or a lack of team play.

If it was skill then more work needs to be done with the player to improve their skill technique. If it was decisional then the player needs to be guided on the options which may have led to a better result. Activities providing practise in specific scenarios requiring this sort of decision making must be part of training. If it didn't fit with the team's style of play explain why it needs to for the benefit of the team. Either way players should be encouraged to keep trying to do these things otherwise they will not improve.

Winning as the only goal is pointless without a series of instructions or steps to help reach the goal of winning. The key is to have them understand that by doing a, b & c they have a chance of playing well enough to win. Sometimes they may do everything asked and still not win. Generally that is because the team they play are able to do a, b & c better, or the opposition may do "d" which your team is unable to do just yet in their development as individuals and as a team. The key for the coach is to keep working to make a, b & c better and add "d".

As a coach you have a right to demand players do their best no matter what their age. They need to know that in a team game everyone's effort is needed. It is a lack of effort that a coach has a right to be disappointed with when it comes to coaching. In this scenario the coach must find out why the effort was low? There may be very good reasons such as injury or illness or another issue that has not allowed the player to be at their best. However when stressing disappointment as a coach, be careful that is not seen to be about you or the work you do, rather that it isn't fair on their teammates who are trying so hard and it puts too much unnecessary pressure on them.

So to get the best outcomes for your players:

- focus on skill development and team play in all aspects of the game - the famous three phases of when we have possession, the opposition have possession, or the ball is neutral,
- maintain a positive attitude and approach,
- encourage and emphasis what you have coached and asked them to do,
- educate and teach when you want to change their behaviour - often errors occur because they don't understand what you are asking of them
- ask them more questions during games and training because they are ultimately the ones playing and have knowledge you may not and which could help you as a coach.

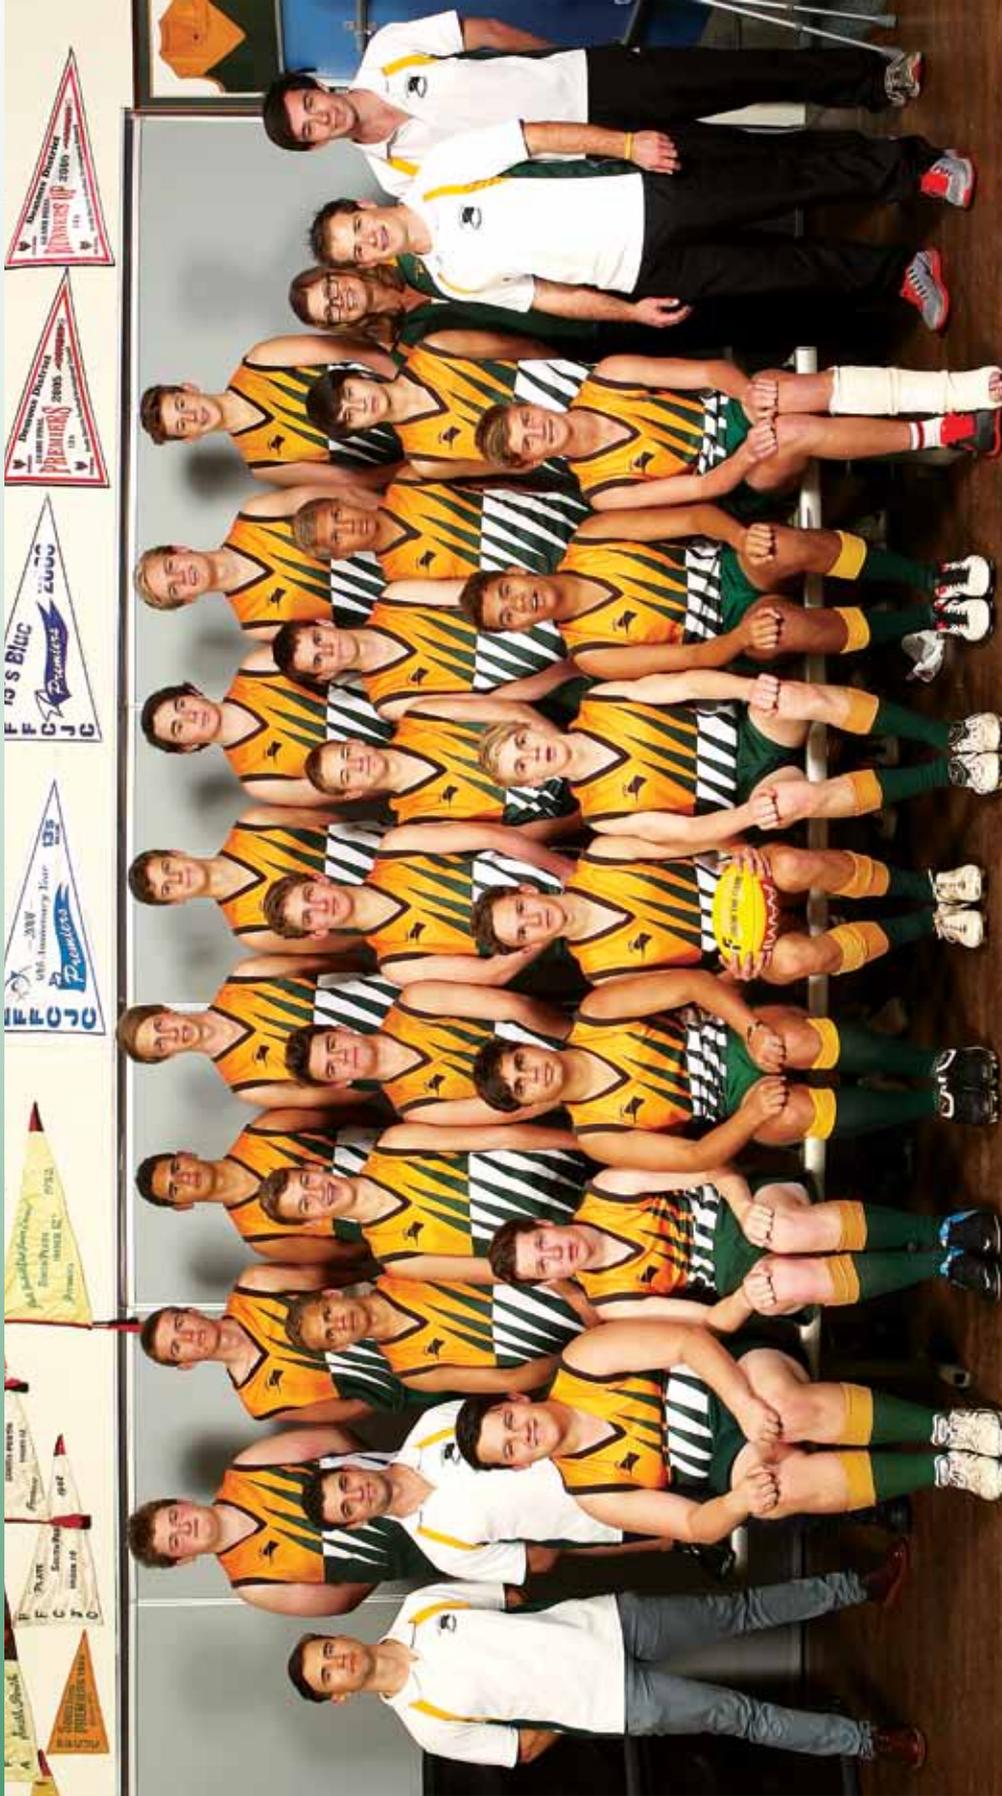

In the end people will always try to do what they get rewarded and praised for no matter how young or old they are.

Peter Schwab
AFL Director of Coaching

South Perth Junior Football Club (inc)

Team Reports

Year 11

Coach: Beau Wardman

Assistant Coach: Tim Stobart

Team Managers: Meaghan Long & Mark Ritter

I don't think anyone really realised how hard it was going to be to get a Year 11 team on the field this year. With District footy, boarding school players and private school footy commitments it was a battle every week to get a team together. This was going to be a challenging season for the Stingrays Year 11's. Surprisingly we started the year with 6 straight wins taking the top spot on the ladder. We took a lot of pride in the fact that we had wins over a couple of tough traditional "enemies". By round 13 we had a 9 and 3 win/loss record and were confident of making finals.

Coaching Coordinator Beau and Director of Coaching Tim worked extremely hard for the boys setting an example of camaraderie and team spirit that made every game enjoyable. Diggers (Runner) and Chris (First Aid) also helped to make the team a success with their generous support and time. The main theme of the team was to enjoy the games and support each other on the field and these young men lead from the sidelines showing us leadership, poise and a sense of humour throughout the season. The best part from a spectator's view was the teamwork between boys who had only just met! The support and off the ball work in the packs with tackles, bumps, shepherds, and protection for the ball carrier was a sight to behold throughout the season.

Josh Seigert (Captain) struck down with injury and only managed three super games for the season, he was sorely missed as the season progressed. Brad Pattison – talented, hard working leader on and off the field Brad has super skills – marking, tackling, ruck, goals need I say more? He played his heart out for the team week in week out. Zac Hill showed glimpses of his brilliance while battling injury throughout the season, he lead well and took plenty of marks, showing his versatility all over the ground. Reynard Hodson was the most reliable player every week, often taking "best on ground

honours" he was hard at the ball, tackled well and committed to the play at all times. What can I say about Quinton Narkle and James Panganoron (from the Year 10's) just simply superb, goal after goal tackle, chase, mark these boys can do it all!

Several of the old returning war horses stepped up again this year playing fantastic consistent footy Mackenzie Long, Sean Hughes, Matt Boys, Kirk Howes, Michael Ritter, Luke Skonis and Campbell Godfrey were the back bone of this team week in/week out playing any role with humility and dedication! It was also good to see a few faces returning, Ben Grigson added his experience having played up for many years he showed great leadership skills and was a valued player. Kai Homer returned to us from Soccer and we were extremely happy to have him back in the side. Damien Ruedavey, Jordan Fitzgerald, Michael Spratt and Tristan (goal sneak) Jackamarra returned to show us their wonderful skills. Clint Chivers was also welcomed back and managed to squeeze in a few fantastic games for the boys slotting easily back into the Stingrays line up! Sean Gupanis, Michael and Daniel Ashwin, Alex Baker, Ali Yarran, Tyson Galbraith, Nixon Hamlet, Jordan West and Fraser Twomey all joined South Perth this year showing great skills and bringing extreme talent and determination to the team. It's always tough to join a new team but they all slotted into the team structures with ease.

Thanks to all who filled in as we could not have done it without you! To finish I'd like to quote Mark Ritter (Co Manager) "...The great team spirit and enjoyment of playing footy with each other as mates - is the key to the South Perth way - win, lose or draw - the effort, the camaraderie, the Mighty 'Rays."

Year 10

Coach: Andrew Radomiljac

Assistant Coaches: Rex Lodge-Calvert & John Elphick

Team Manager: Laurie Liddelow

The 2013 season is my second year of coaching at the South Perth Junior Football Club. My first year was coaching the South Perth Year 9 Green team in 2012. After a successful 2012 season, with the South Perth Year 9 Green team winning a premiership, a main goal for the Year 10 South Perth players this season was to achieve more success for the South Perth Junior Football Club.

At our first training session in April this year I asked all the players to fill out a brief questionnaire. One question asked – “What do you want to get out of / achieve in 2013?”. The overwhelming majority of responses from the players was to “win a premiership”. With an initial squad of 31 players at the start of season, 16 players in the team are yet to win a premiership.

The Year 10 South Perth team was essentially a new squad of players at the start of the season, with many players not playing football together previously. About 15 players were from South Perth Year 9 Green last year, about nine players from South Perth Year 9 Gold, about six players were new to the South Perth Junior Football Club and one player was from last year's Year 10 team. The team also consists of 18 players from Wesley, 11 players from Aquinas, 1 from Trinity and 1 from Kent St High. So a big challenge, initially, was to bring the whole squad together as a single football team as quickly as possible, in order to achieve the team's common objective – team success.

At the beginning of the season the team voted for their leadership group. The team elected Alby Munns as Captain and Geoff Milloy and Nathan Mazzega as Vice Captains. These 3 players are fantastic footballers and it is important for the team they show strong on-field leadership in the remaining games and in finals.

The Year 10 season involves playing some games against the Year 10 East Perth teams in a cross district competition format. This is the first time our players has been involved in a cross district competition (except for James Corner who played Year 10 last year). The season started off with a loss in Round 1 to the very strong Ellenbrook team (from the East Perth district). Since then the Year 10 South Perth team has enjoyed good success with 8 wins and 4 losses (up to Round 13). After Round 13, the Year 10 South Perth team is the top placed Perth District team and is 4th on the overall

cross district competition ladder. The team's 4 losses have been all against East Perth district teams and when the team has only had 18 players available – due to injury and/or school holidays.

The team has shown fantastic discipline this season, playing high quality and fair football. After 13 Rounds of football, the Year 10 South Perth team has not incurred any E-point deductions. Out of 15 teams in the competition, our Year 10 South Perth team is only one of 3 teams that has not incurred an E-point deduction too date. All the players should be very pleased with the way they have conducted themselves on the football field.

One of the biggest challenges this year has been managing players with injury and soreness during the season. Almost the whole Year 10 South Perth team plays PSA football for their school on Saturday and then a football game for South Perth on Sunday. In addition, our team has 11 Boarders. So during school holidays or on long weekends these 11 players, generally, have been unavailable to play.

Unfortunately, 3 players (Kieran Van Dongen, Nathan Mazzega and Campbell Luers) received long term injuries during the season. It is great to see Kieran and Nathan have made a full recovery and are now back playing football. Campbell's injury was very recent, but we expect Campbell to make a full recovery also.

It is important to acknowledge the great effort by Laurie Liddelow as team manager. Laurie does a mountain of work as team manager and has also runs boundary most games. I also want to thank John Elphick and Rex Lodge-Calvert as the team's assistant coaches and Lindsay Albonico as the team's first aid officer. There are also many other volunteers that help out on game day, like Kieth Van Dongen on goal umpiring, Richard Price, Linda Sankey, Barry Smith and Les Corner on interchange, Colleen Gent on Russell White on time keeping and scoreboard and Murray Mazzega on game day setting up.

The whole team should be very proud of their efforts so far. There are just a few home and away games to go and then finals. And hopefully more success for the Club.

Back row: David Skinner (Coach) Max Nicolay, Elliot Fenton, Mitchell Aspinall, John Dagnall, John Congear, James Lobb, Riley Smythe, Flynn Coaker, Louise Aspinall (Team Manager). Front row: Khai Carvallio, Aaron Skinner, Kaiden Johnston, Peter Hodson, Jack Durie, Cameron Brett, Jordan Haddad, James Knight.
Absent: Jason Hemphill, Luke Reid, Ryan Barrett, Tahj James, Joseph Reagan, Nicholas Martin, Mike Brett (Coach), Sandra Hemphill (Team Manager).

Year 9 Gold

Coaches: Mike Brett & David Skinner

Assistant Coaches: Mike Fenton, David Regan & Travis Hall

Team Managers: Sandra Hemphill & Louise Aspinall

Despite uncertainty pre-season around whether we would have enough players to form a team we have managed to play out the season with some great games in amongst some tough weeks. Thankfully, the boys were always about having fun. It was to the credit of the hard-working coaching staff, the recruiting of district coaches and some realisations from the boys that allowed them to blend the fun with some hard work that produced results.

The coaching this year was split evenly between Mike Brett and David Skinner, with Mike having coached the Gold team almost constantly since Auzkick days.

It has been a wonderful experience to see these boys develop into young men that both their parents and the South Perth footy club can be proud of. They have all displayed exemplary behaviour on and off the field. They always play fair, play the ball and show no aggressive behaviour to other teams despite harassment from many of the opposition teams over the year. Our boys have maintained their composure with maturity well beyond their years.

The 2013 Year 9 Gold team :

Riley Smythe: Natural leader, excellent under pressure and always has the right attitude. This combined with a strong mark and kick makes him a first choice key position player.

John Dagnall: Every team needs a Jolly Joker and JD is ours. Good footy player when he puts his mind to it. Creates space and takes a good contested mark. Our wingers know to look for him.

Joseph Reagan: First year back at footy from soccer and has quickly established himself as a hard running, solid tackling mid fielder. Joe has enormous potential and will be a player to watch in coming years.

James Knight: James has developed into a particularly capable key defender. Intelligent and a very good decision maker he quickly grasps new game plans and has the ability to push forward and rebound when required.

Cameron Brett: Fantastic in and under player who competes well above his weight. Rarely loses a one on one contest, great in space and a much better player than he gives himself credit for.

Peter Hodson: One of the toughest on ball players going around, Peter is invariably ranked amongst our best. King of the one on one contest he is capable of changing a game and lifting the entire team with a moment of sheer brilliance

James Lobb: A great addition to the team in 2013, James is the archetypal utility player who is capable of filling almost any position. Can play ruck, back and forward as required and never complains.

John Congear: The "Mr Reliable" of the Gold team. Tall, fast and capable great feats of endurance, John is the master of the 2nd, 3rd and 4th effort. He is the "go to" man at centre half back and can "run with" the best opposition players.

Ryan Barrett: Good game sense and hard running are the hallmarks of Ryan's contribution to the 2013 season. Always gives his best whether playing in the forwards or backs.

Khai Carvallio: What Khai lacks in speed he makes up for in body strength. He is capable of making a tackle his opponents do not quickly forget.

Flynn Coaker: The corner stone of our attack in 2013. Always the first player to look for in the attacking 50, Flynn takes an outstanding contested mark, has a long accurate kick, runs hard and leaves nothing in the tank.

Jordan Haddad: Close runner up in the Jolly Joker stakes, Jordan is the Hamish to JD's Andy. When focussed he is capable of making a serious impact on a game in both defence and attack.

Jack Durie: A great team player, Jack is a hard runner who never gives in and can play back or forward as required.

Max Nicolay: An elite runner who can shut down an attacking move one moment then set up a goal in the next with his hard low left foot kicks. Invariably in the right place at the right time and always competes no matter what the state of the game. Nicholas Martin: The "Tom Hawkins" of the Gold team - good mark, straight kick, great hair and loves to sneak a goal. A favourite with our female supporters.

Kaiden Johnston: Very good utility player when he remembers to bring his boots. Can play forward or back and he has been missed in the latter half of the year after breaking his hand mid-season punching a ball away in defence.

Tahj James: Started with great promise but was impacted by injury as the season progressed. Good defender, hard at the ball and has real potential.

Mitchell Aspinall: After a slow start due to a motocross injury earlier in the year Mitch has improved rapidly as the season progressed. Mitch has a fun attitude towards his footy but is a very capable player when focussed.

Luke Reid: With an injury plagued season Luke has not had a great deal of opportunity in 2013. His strong leads, hard contested marks and straight kicking have been sorely missed.

Jason Hemphill: Tall and fast with an unerring kick, Jason's ruck work has been an essential part of the team's success. His absence overseas for the latter half of the season has been very hard felt.

Elliot Fenton: A huge improver in the 2013 season Elliot is a hard running player with a strong overhead mark. His work rate across half back and half forward has been fantastic and he is more than capable in the mid-field when called upon.

Aaron Skinner: Always finds space even in traffic. Kicks with left and right foot and usually hits his man lace out. Good decision maker - takes his footy seriously.

Always struggling for enough tall players, it was a massive blow to the team to lose Jason Hemphill to their European family tour. His hilarious mother, Sandra our manager, was also a huge loss and Louise Aspinall stepped up admirably. Thank you, to both of you.

It is difficult to single out players or parents because so many had enthusiastically contributed through the season. However special thanks go to Mike Fenton, David Reagan and Travis Hall for assisting at almost every training session and game, which made things infinitely better for the boys. It is so difficult for them to get to training each week with work commitments and we all appreciate it enormously.

Many families contributed to make the season possible. In particular, the Knights, the Dagnalls, the Congears and the Haddads, who were amazing, prominent contributors each week.

Thank you all.
Mike Brett & David Skinner

Year 9 Green
Team Sponsor - Ian Hutchinson Real Estate

Back Row: David Collard (Coach), Luke Murtagh, Dominic Roe, Riley Bridger, Ben Markwart, Callan Bindon, Elliott Hunter, Jason Markwart (Team Manager)
Front Row: Hamish McInnes, Rhett Brandis, Ryan Brass, Daniel Elhaj, Jack Collard, Zane Tilised, Tom Steber
Absent: Harry Chadingboel, Ben Lawrence, Quentin Munns (Captain), Declan Smeed, Ace Sutherland, Michael Tarzia, Charlie Tonkin, Nicholas Winters.

Year 9 Green

Coach: David Collard

Team Manager: Jason Markwart

Callan Bindon: Callan has come a long way in two years of footy and has mastered the skills to be able to play forward and back for the team.

Rhett Brandis: Rhett is a very skilled and exciting player who gives the team his all each game he plays.

Ryan Brass: Small but fast Ryan gives the team the extra pace that's needed in our team.

Harry Cladingboel: Being the tallest player in the team Harry provides a big target up in front of the goals for the team and kicks straight.

Jack Collard: Jack offers the team skills that see him going from the backline to the forward line with ease when required.

Daniel Elhaj: Daniel has grown with his game learning the skills to become one of the best kicks in the team, strong and reliable in defence.

Elliot Hunter: Ellie has the heart of a lion and has the best hands in the team when marking and is very reliable up forward when kicking for goal.

Ben Lawrance: Richie has proven to be a team player this year and has played good footy all year, he plays hard at the ball and gives his opponents nothing.

Ben Markwart: Big Ben leads his team in the ruck and has become a strong leader on the ball, his kicking for goal is a winner for the team.

Hamish McInnes: Gifted and reliable Hamish has been a real bonus to the team with solid games in defence and has proven a match winner up forward.

Quentin Munns: Captain Q has led the team with real aplomb and is very gifted with enormous skills that have seen the team follow him this year.

Luke Murtagh: Luke is a very talented player who can burst open packs with his pace and is a major driver for the team.

Dominic Roe: Skilful and talented Dom is a true leader for the team and gives the team the polish with his lethal right foot.

Declan Smeed: One of the most talented and skillful players in the team Declan has won games off his own boot and has a big engine.

Thomas Steber: Quite and unobtrusive Tom does the job for the team that see's him winning the ball and kicking the goals up forward.

Ace Sutherland: A quite achiever Ace is a powerful player who is learning the role of centre half forward and has achieved all that is asked of him.

Michael Tarzia: Tough, rugged and smart Mike brings to this team the strength to play a major role in the team in the backline.

Zane Tilsed: Zane plays a very important role in the team as the sleeping partner in the forward line where he can win games with the one percenters.

Charlie Tonkin: Fast and furious Charlie brings speed and a hard at the ball approach where he plays an integral part of the backline or across centre.

Nicholas Winters: Stevie is a proven ball magnet and can use his skills to break open games with quick bursts of speed and also long and powerful kicks.

Year 8 Gold

Coach: Ben McGillivray

Assistant Coach: Michael Sarich

Team Manager: Leah Tierney

The 2013 season started off with an influx of new players and a first year coach (Ben). The first game against a strong Thornlie team was an eye opener for all involved as the boys tried hard but were clearly outclassed by a well drilled outfit. Ben took the opportunity to get to know the players and tinkered with the line-up.

The next two games showcased some of the best football for the year. All players contributed and the results were well reflected on the scoreboard. Everyone was given an opportunity to play in different positions and the team started to develop skills such as looking for a loose player in the centre and taking six steps before disposing the ball to help break the lines.

Unfortunately a combination of injuries and complacency seemed to unsettle the line-up and the team dropped some winnable games in the middle of the season which meant we started to lose touch with the top teams.

As the season moved towards the "third quarter" a lot of football was missed due to byes, forfeits and school holidays. During this period the focus at training was on building a more team oriented mind-set. The boys worked on tackling, shepherding, blocking and getting to contests. It was pleasing to see the boys embrace these concepts as they started to match the stronger teams for extended periods.

As mentioned earlier, the team was hit hard by injuries. Shannon broke his collarbone while Harrison and Ethan were also sorely missed due to injury. This forced other players to fill roles they did not always feel comfortable with and it was pleasing to see everyone keen to step-up when out of their comfort zone. I feel they will all be better footballers as a result.

The boys all enjoyed playing under the guidance of Ben. Although the results were not as good as we would have liked, Ben's focus was on developing skills and ensuring all players contribute. Every player demonstrated improvement throughout the year and will be sure to build on this foundation next year.

Year 8 Green

Coach: Barrie Smith

Team Manager: Jim Grayden

The year 8 groups had a challenging start with a player list that continued to grow. With not enough players for two teams and too many for one, and less than 2 weeks before the season started, we began the challenge of finding 10 more players as well as another coach. With just days before the first game we were able to announce the 2 teams and start planning for the season ahead.

In our first game we were put to the test against a well drilled Thornlie team and the boys were quickly introduced to the level of football they would be up against for season 2013. With 13 new faces in a group of 20 it took a while for the boys to familiarise themselves with each other and adapt to the standard of football, but a late charge in the second half showed some good signs. With no pre-season training we were struggling for fitness and there were some obvious areas of our game that we needed to work on.

After the first week we were down 2 players with minor fractures with Colby doing his wrist and Raine doing an ankle, so we were back on the lookout for more players. Fortunately we were able to get another 2 boarders from Aquinas to complete the playing group, however with 14 boarders out of a team of 22 it was going to take a huge effort from our local parent group throughout the year.

With a large number of the boys from Wesley and Aquinas we knew that their fitness would step up over the next month from all the additional school training and games. We therefore worked hard on the defensive side of our game to ensure we were able to hold our opposition to low scores giving us a chance to get a couple of early wins while we were getting up to speed. The hard work and discipline at training was starting to pay dividends and as planned we started to move our way back up the ladder.

Lewis and Corey Taylor were dominating their roles in the backline and Stokesy on the wing was providing an unlikely physical presence that we needed to match it with some of our bigger opposition. As our fitness improved we started to work on our centre breaks and forward line structures with Junky and Bailey jumping at the opportunity to kick some goals. Cam and Kaleb also came together on the half forward line to give us some good fire power further out. Some easier games mid-way through the season provided a good opportunity to mix the team up and most of the guys got a run through the centre or on the wings.

Throughout the season Watto and Woodsy enjoyed the freedom to go for a run with the ball and Harry's dominance in the ruck gave Blechy, Jaret, Birdy and Watto every chance to move the ball out of the centre. Corey Taylor was sidelined half way through the year with knee surgery allowing Colby and Luke to play on the ball as Jaret moved back to work with Grazi and James 'The Affro' Grayden on the full backline.

Having 2 tall forwards on the half forward line we did rely on some of our smaller players such as Raine, Zach and Jude to assist on the ground. Hadlow mastered the art of finding space and as confidence grew Harry Edwards provided another option running off the wing.

Like any good team we had our fair share of sledging and banter and Will always had a story to tell about the legend from Nungarin (not that anyone ever believed him). Junky had a few vague moments which created a bit of controversy for sideline officials and laughs amongst the coaching staff, but all in all it was a good fun year.

Finally I would like to thank all the parents that put up their hand each week to fill one of the volunteer roles and all the boarder's parents that helped out when they were around. Also thanks to all the boys that filled in when we were short to make sure we were always able to field a team. It has been a real pleasure to coach a great group of boys and hopefully their hard work can be rewarded with a strong finish to the year.

Barrie Smith

Year 7 Gold

Coach: Mark Hobbs

Assistant Coaches: John Carter & Clay Dawson

Team Manager: Scott Bradley

2013 saw full open AFL rules introduced to the Year 7 competition for the first time. This necessitated the amalgamation of the two Year 6 Green and Year 6 Gold teams following a fall in numbers in both teams from last year. A squad of 23 players resulted and the new combined Year 7 Gold was embraced by the boys and an immediate strong and close team bond was formed.

I was appointed coach with John Carter's double Achilles rupture resulting in him ruling himself out of this role. John continued on as a valuable assistant coach and I thank him for his support.

Training numbers are always pretty strong and the endeavour and commitment in the scratch matches at training could never be criticised.

As mentioned, the first year of full rules meant playing on a full oval, 18 per side, monitored interchange and all other modified rules no longer applicable with the exception of no soccering off the ground (except in the goal square). The boys moulded themselves into this very well and the full ground has certainly tested their fitness with them battling to run out a full game. The successful introduction of on-field rotations, rotations through the bench and the hard running at training has certainly hoped though.

It has been a challenging season. We are at a near 50% win/loss record. We have won some exciting close games and been given a few football lessons as well. All this is good for both the team's and individual's football development. Everybody has had a good go in whatever position they are playing. They boys have also realised that to be a successful team, you can't just rely on your few "stars" to do everything. It takes a team effort to have on-field success.

The goal has also been to consistently play four good quarters each week, something that has eluded us but which we are working towards.

We have had a number of boys reach the 50 game milestone during the season. Congratulations to the eight boys who joined those who achieved this milestone last year. The ceremonial soaking with the water bottles during the post-match presentation has proved to be a very popular ritual enjoyed by the boys – especially those doing the soaking

Special thanks to Scott Bradley, our team manager who only formally found out about the full rules the week before the season started. There were a lot of new and additional duties and he took the organisation of these on in his stride. Has also had to fill in as the water boy and runner on occasions. Thanks Scott. Thanks also to Clay Dawson who assisted at training, performs the runner duties on game day and really helped to get the boys warmed up, and motivated on game day.

To the parents, thank you for your support throughout the season, but more importantly thankyou on behalf of the boys for coming down and watching and supporting them on game day.

Finally a big thank you to the boys in the team, Birdy, Braddles, Carter, Les, Nathan, Andre, Trey, Seano, Aiden, Hobbsy, Liam, Sam, Conner, Luke, Alex, Rado, Morgs, Drew, Scotty, Staggy, Dylan, Wallace and Whitto. You are all a pleasure to coach. You all have the common goal of wanting to play good hard competitive football. Most importantly to me, you play it within the spirit of the game. You represent the club proudly and hold yourselves out at the highest level whenever you take the field. Well done boys!

Front row: Tom Lundberg, Kirby Gray, Liam Skinner, Brett Hassett, Jack Grayden, Cooper Fare, Tim Kelly

Year 6 Gold

Coach: David Fare

Team Manager: James Hassett

South Perth Year 6 Gold has had another terrific year of football. We had a team of only 15 players, so the team have really had to put in each week and played some exciting football against some good opposition. They are a really great group of kids and will continue to represent South Perth Stingrays well over their progression up the ranks. Special thanks to our Team manager James Hassett, who has once again done a great job. A big thankyou to all the parents who pitched in at training and game day. Lastly thanks to the team for being so easy to coach and trying their hardest to play well.

Now a bit about the team:

Cooper Fare: Cooper had a great year and stepped up when we needed him to. His strength in being able to break packs and kick long were his biggest assets and his strong tackling. Well Done Coop.

Brett Hassett: Brett's love for footy shines through and he has a really good understanding of the game and runs all day. He has a never give up attitude which is a credit to him.

Dion Carle: Dion made the transition from soccer to football with flying colours. As the season went on he started to really excel and we look forward to Di have a great year in 2104.

Fintan Kinsella: Fintan was our big improver this year and really took his game to the next level. He uses his physical presence really well and his input this year was great.

Daniel Roberts: Dan loves getting under the bottom of the packs and we could always rely on him to be the one fighting for the ball. He played like he really enjoyed his football and he will continue to improve his skill base over the next few years.

Brad Kerrison: Brad had a solid year and is starting to use his strengths to his advantage. Good left kick and mark, Brad will continue to become a very good player for South Perth.

Liam Skinner: Another one of our left footers, Liam never gives up and the back end of the year, he played his best footy. Always listens and is keen to learn – Well Done Liam.

Ryan Atwell: Ryan has great skills and running ability which he uses to great effect. He had some great games this year and his future football years will be exciting.

Kirby Gray: Our little goal sneak, Kirby can sniff out a goal from a mile away. Has the handy knack of knowing where the goals are and managed to always get one in most weeks.

Tim Kelly: Tim, pound for pound our guttiest player. Every week, he would throw his body into contests and sometimes come out worse for wear. Tim is a pleasure to coach and fun to have in the team.

Holly Barnes : Holly has been our only girl in our side for 3 years now and mixes it with the boys really well. Great overhead Mark and beautiful set shot for goal, it's great to have her in our side.

Ayden Wedge: Ayden started off the season in terrific form but unfortunately broke his thumb. Credit to Ayden's perseverance and commitment, he stayed involved in the team. Well done Ayden and I know you are looking forward to next year.

Jack Grayden: Jack was another of our new recruits who fitted in beautifully into our team. Jack used his body to great effect and will be a great asset in years to come.

Patrick Cullen: Patrick juggled basketball and football this year and enjoyed good football success. Patrick runs hard and straight and never gives up. His desire to do his best some through and he played some terrific games.

Tom Lundberg: Tom once again gave his all and brought his determination to the game to each week. Tom loves the physical contact and showed some great skill and courage through out the year.

Year 6 Green

Coach: Steve Lally

Team Manager: Barry Woodhouse

What a fantastic year it has been, our team has progressed so far in such a short space of time. Their skills are amazing to watch, they play in hard but they play it fair and square. We all have lots of fun and everyone gets on really well. We are a great team, because everyone plays for each other and all the players help and cares for their team mates. We are so proud of them all and the improvement from week to week is great. I would like to thank to following special people-

Barry: a manager like never before, funny, casual and a good bloke (who does a great job)

Brenton: a runner like 'the bolt' not the Olympian more like the nut and bolt!! (thanks BB)

Kevin and John: very funny goal umpires skilful and entertaining, thanks guys

Danielle and Christine: medic and all round organizers of men which we need of course, thanks girls

And of course all the parents that roll up everyweek to support their team, wonderful stuff thankyou

Benny: brilliant little rover, good skills, reads play well, very reliable

Oliver: lightning quick, excites the crowd with his runs, will love the big ground next year

Patrick: big improver this year, good mark and kick, has fun and a joy to coach, can play anywhere

Josh: impressive this year, enjoying his footy will be handy up forward next year I reckon

Jean-Luc: little terrier goes in and bumps and tackles, funny little fella, takes on the game

Luke: reads play well, and loves to kick a goal (like all of them) loves footy as well

Ahman: improving quickly, good skills and gets in and gets it, another have a great year

Declan: Great kick, loves to kick out from full back, good team man and great kid

Jack: joy to watch, excellent tackler who loves to handpass all the time, also has the biggest dog

Joel: good skills and like his bro loves to kick goals, loves footy and good learner of the game

Elliott: coming on nicely, good all round player, marking is a strength and good runner for his size

Sam W: runs like the wind, plays best in backline, good everywhere really, good to have in our side

Sammy: amazing little footballer, gutsy, skilful and also loves his footy, dreams about kicking goals

Mitchell: just learning how good he is, can take a game apart especially down back, good stuff son

Nat: special player as well, great runner, mark, kick, does it all, another great year, keeps progressing

Bailey: tough little fella, good all-rounder as well, read plays well, would break his arm for the team

Matt: does some special things, kicks goals on his left, has fun and like the team has a bright future

Griffin: loves to take the big mark especially in front of goal, great at shepparding and big kick

I love coaching the boys and i am grateful to be able to help with footy

Year 5 Gold

Coach: Daryl Cousins

Assistant Coach: Louis Zammit

Team Manager: Claire Cousins

As our team included nine new players this year and eight/nine new players the previous year, Year 5 Gold has combined to play some extremely competitive football against all teams, some of which have been together for three to four years.

In most of our games the boys have shown some brilliant passages of play, moving the ball fluently by hand and by foot. There have also been some brilliant individual passages of play with great intent on attacking the ball or chasing down opposition players.

Our group plan is to share the ball, use our vision, run and help team mates, rotate positions, obey instructions and at all times accept the umpires decisions. Overall there has been rapid improvement and the golden rules for the boys to learn are to use both sides of the body for kicking and handpassing and practice, practice, practice!

A big thank you must go to Louis Zammit for taking on the role of Assistant coach and helping out at training and on game day with the job as runner.

Thank you also to Richard Trainer for carrying out the first aid duties and also to Claire Cousins for her job as team manager. Thank you also to all parents who have supported the boys by fulfilling all the weekly rosters.

Jamie Allen: Jamie's kicking has improved and he attacks the ball with great ferocity.

Spencer Briers: An extremely consistent player who always gives 100% in every game. His kicking and marking have improved throughout the season.

Tom Carter: Tom is improving with his good long kicks and there has been overall improvement in both his kicking and handpassing.

Timothy Cauble: Tim's kicking and handpassing has improved and he knows how to get the ball. Good team player.

Harry Cousins: Consistently trains well and has shown huge improvement with marking, tackling and getting his hands on the ball.

James Dyker: Unfortunately had an interrupted season with a broken wrist, but he consistently shows great skill with strong marking and kicking.

Rowan Edwards: Has great determination and marked improvement has been seen in his tackling and kicking over the season.

Lochlan Emmerton: A very reliable player and he always readily shares the ball with his team mates.

Blake Long: Another great season from Blake. He can be relied on to attack the ball and then deliver it on with a great kick or handpass.

Jackson Marshall: Showing consistent improvement with both kicking and strong marking of the ball.

Alexander Mitrovic: Consistently demonstrates excellent skills in reading the play and his determination to attack the ball is always evident in every game.

Aryan Mohanty: A great learner and always tries his best in every position he plays in. Aryan has improved in his ability to lead during a game and his kicking and his attack on the ball have also improved.

Robbie Sarich: Strong skills in kicking and marking and is learning to use his vision to search for his team mate.

Adam Stanley: Brave player with extremely strong skills. Season ending surgery was a disappointing end for Adam as he missed the final 4 games with a broken finger.

Lachlan Trainer: Extremely good ball-gathering skills and he has the knack of knowing where to position himself on the field to take a strong mark.

Kyle Wheatley: Excellent player who has well developed skills in reading the play, marking and kicking.

Joshua Woodcock: Brilliant season. Joshua brings others into the game with his excellent sharing of the ball. Strong skills in his attack on the ball and he consistently plays well across the field.

Johnny Zammit: Great improvement in Johnny's kicking throughout the season. Shows excellent skills in tackling and picking up the ball on the run.

Year 5 Green

Coach: John Carter

Assistant Coach: David Ogg

Team Manager: Deanna Carter

At the start of our season we had a group of boys keen to play football.

As we approach the end of our season we now have a team of boys who have bonded together into a well drilled, passionate and hard working team who love their football.

Our run and carry style of play combined with quick ball transfer, 2nd & even 3rd efforts has taken a lot of work and commitment from our team but our second half of the season dominance on the field has proved to the boys that hard work and commitment does have it's rewards.

While this was my 1st season coaching this group of boys I have been involved with many of them from their Auskick beginnings in various assistant roles and it is great to witness first hand how much their football has improved over that time.

Every member of our team has earned their own accolades as I do not give praise just for the sake of it. I make the boys earn it and push them to get the best out of themselves and in turn contribute and become a valuable part of our team. Every boy understood that they are part of a team and if you play as a team your enjoyment of the game is so much greater.

I would also like to thank our Assistant coach, David Ogg and Team Manager, Deanna Carter for the outstanding job they both did over the course of our season. Their input and assistance in all areas proved invaluable and helped greatly in making our season the success that it was.

Finally, I would also like to thank our parent group who made every match day a positive experience for their boys. Hopefully the memories made this season will be cherished for many years to come by all.

It is with a great deal of pride that I've been able to contribute to these boys enjoyment of football and hope they choose to continue playing AFL for many years to come.

Our Team :

Nic Carter: A hard, tough nut that knows no fear on the football field. The consummate team player who runs all day. Highly skilled with both hand and foot, delivering the ball lace out on a constant basis.

Travis Crane: Played in front all year with wonderful marking and kicking skills. His ability to find the goals was uncanny with a number of boundary shots splitting the big sticks.

Max Edwards: Enthusiastic player who enjoyed his season. Continued building on his skills and looks set for a breakout season in 2014.

Michael Fidock: A great team player who seems to find the ball easily. Moves the ball on quickly to our outside runners by hand and foot.

Luke Herrmann: Our big left footer who's skills have improved impressively over the season. He has a great long kick, solid mark and attacks the ball hard.

Miles John: Hard to believe this boy grew up with baseball and NFL. Has taken to AFL like a

duck to water. His speed and ability to find the ball was great to watch.

Harry Kerrison: Quick on the ball when playing forward and runs hard through the lines. Loves kicking goals, especially when playing on the full back line.

Isaac Lamb: Sharp, nimble and with a great sense of balance. His disposal and use of the ball was simply outstanding.

Noah Landau: Exquisitely skilled player who gets himself front and centre at every contest and knows exactly how to use the ball when he gets it.

Lucas Machin: Continued to develop his skills through the season. A great boy to coach, always smiling, loves playing the game and being an integral part of the team.

Dillion Monteiro: Strong and dependable, a real team player with strong hands and quick reflexes. Injured early in the season but attended every game to support his team.

Zac Negus: Another of our highly skilled players that can run all day. Not scared to use his left side if the situation warrants. Plays well running wide or can mix it up in the packs. Great all round player.

Aiden Ogg: Football is in this boys DNA, with a hard tough style of play. Completely focused and hard to stop when he has the ball.

Johnny Parker: Made the half backline his own with his ability to read the play and position himself in just the right spot. Used his body well to bust open packs and move the ball forward with quick handballs. You would never know it was his 1st year of AFL.

Liam Roberts: Strong reliable mark with good skills. Loves a goal and enjoyed his time forward of the centre.

Wyatt Smith: Highly skilled player who plays well above his years. Runs and carries the ball with ease and finishes with a long penetrating kick. I caught many an opposition coach trying to sweet talk this guy.

Rohan Williams: A picture of concentration on the field, constantly instructing the boys around him into better positions, a natural born leader. Very reliable mark and great disposal.

Year 4 Gold

Coach: Graeme Rothnie

Team Managers: Emma Pyne & Caroline Mudd

The Year 4 GOLD team was announced at the official "Draft", held at our first training session of 2013. Every player in the team was excited, making the transition from Auskick into Modified Rules and every local school was represented by at least two players.

We had several training sessions before the regular season games started. This allowed everyone to get to know each other, including the players, parents and volunteer support. It was also time to set the key objectives for the year being to have fun, develop football skills and for everyone to fairly and actively participate..... This was not just for the players.

Transition to Modified Rules was our first milestone. Firstly, different rules: The whole team did their homework and studied the new rules, which was a great kick-start to the season, as we got more than our fair share of free kicks. Secondly, getting hands on the ball and keeping it: The move to Mods means it's a bit harder to get the ball and keep it, so the team did a lot of "one on one" competition at training. Thirdly, keeping positions: The fields are much larger, so while some player thought it was good fun to run everywhere, the boys soon learnt that it was more important to keep position.

The whole team then settled into the regular season, learning and practicing skills at training then playing strong competitive football on the weekend. By half way through the season, the players were really going hard at the ball, either in a pack or tackling the opposition. This reflected their great improvement, becoming more familiar with

the physical challenges of playing Mods football. They learnt that you get rewarded if you attack the football. By late season, the team was really starting to work as that – "a team". They would position themselves behind and in front of the play, work hard to clear the ball from the pack and look to deliver the ball to their team mates. This has created many fast transitions from the back or middle all the way to goals, all through great teamwork.

As a coach the most rewarding thing is to watch the kids develop their skills - seeing them master a skill and execute it in a game. The team has a wide range of skills and styles, all developing well with the rotation policy. There are excellent clearance players like Casey, Connor, Kelton and Thomas, who go hard into the packs and more often than not come out with the ball to pass off to a team mate. There are fast players like Liam, Karl, Ryan and Mitchell who chase down a ball, gather it and deliver it forward with accuracy. There are smart players like Sam, Toby, Isaac, Henry and Domenic who read the game predicting where the ball will go, so they can be in the right position. And taller players like Stewart, James, Lucas, Jack, Bailey and Max, who use their height to take strong marks and use their long kicks to advantage.

The Year 4 GOLD season has been a huge success as an introduction to Modified Rules, with every player's fair and active participation. This success has been made possible by the string of parent volunteers who have helped with weekly management of the team, first aid, ground inspection, field set-up, goal umpiring, time keeping, assistant coaching (including when the Coach has been away on holidays), canteen help and getting the kids to the right ground on time. Thank-you all.

With the 2013 season drawing to an end, we look forward to seeing you all again for an even better 2014.

Year 4 Green

Coach: Steve Monck

Assistant Coaches: Nathan White, David Shapham

Team Manager: Kylie-Anne Drummond

Season 2013 was very successful for Year 4 Green, we started the year with the goal of making football fun and rewarding through fitness, skills and game sense with our main focus being 'teamwork'. It was a very eager group of a few first-time players and the rest coming up from Auskick that couldn't wait to play 'big boy footy' on the zone-free bigger oval for the first time.

I was very impressed by the way the boys responded to the goals we had set, their willingness to learn and their enthusiastic approach, as a result they developed into a very strong team.

The boys are to be commended for their team spirit and sportsmanship and for successfully embracing football challenges more suited to higher age groups.

They are a very talented group, each player showed consistent improvement throughout the year, and as a team they combined well and were able to dominate most games quite comfortably.

We were only tested a few times, and on each occasion the boys showed great fight and determination and a willingness to play for each other to ensure success.

After only a few games there were signs that these future stars were starting to gel as a team,

with games being more about the total contribution of the boys, rather than the individual efforts of a few. During the latter part of the season it was fantastic to see their skills and commitment to each other as they played as a real team. Each and every member of the team should be extremely proud of the way they have played the game. I know I was and I know all of their parents were also.

I hope to see the team back together in 2014 and wish the boys both enjoyment and success in their future football endeavours.

A big thankyou to our Team Manager, Kylie-Anne, Assistant Coaches Nathan and David for their hard work, and the other parents who regularly helped out for their support throughout the season. I would also like to thank the volunteers at Club level that help keep the machine moving as smoothly as it does from week to week.

Auskick Year 3 Lions

Well, our last year of Auskick has come to an end... and what a year it was!! The kids' skills and understanding of the game has noticeably improved this year with the fundamental basics of the game now entrenched to launch into real games of footy next year and beyond! It was our first year of home & away games, which certainly taught us a lot about how different the game can be when you are not just playing against your mates! We have a great group of parents as well and I really appreciated all of your help in getting the kids there on time and helping out with the drills.

The Lions

Aidan: Beyond doubt the most improved player in the team! Kicking and marking like he's never done before - a fun loving kid who is always smiling - you're a superstar mate!

Zach: Our big full forward who has developed into a clever footballer; really starting to recognise the options out on the ground and looking for his team mates to pass to. You're a powerhouse!

Alexander: Our main "tall man" on the field; fantastic when playing in any position & just keeps on working on his kicking whenever he can! Awesome work Alexander!

Xavier: The raging bull running out of defense with the ball tucked under his arm, head down and get out of his way! Look out to the opposition when he is allowed to tackle "properly" is all I can say!! Full steam ahead, Xav!

Lachlan: The dynamo who runs like the wind and has the silky smooth skills. Tries his heart out, very coachable and a bright future as a pro-footballer beckons! Congrats on your efforts Lachie; you're a legend!

Aden: Kicked a heap of goals again this year and loves the game putting in so much effort every week. Instinctively chases & tackles really well and has the skills of a future Docker! Ps - Dad loves ya!

Blake: Picked up the game really well over the year and his skills have really improved. Always listens to the coach and tries his heart out every week. See you next year Blake!!

Cody: Improved as the year went on and loves chasing the opposition; a fearsome tackler and defender of the goal. Always smiling and happy to be part of the crew - a great season Cody!

Will: Loves the game and playing with his mates! Really good skills and can read the play very well. Look out Y4's if he keeps developing the way he did this year!

Domenic: Sensational small forward in the making with great skills and a massive kick! Cheeky as always and just loves playing with his mates. An awesome team man!

All in all, the boys really have come a long, long way in their time as mini AFL'ers and I am sure we will enjoy many years to come together as a team and parent group. GO STINGRAYS!!!!

 Auskick Year 3 Kangas
 Team Sponsor - Stingrays 100 Club

Left to right
 Back row: Danny Milner (manager), Sal Martino (coach) Middle row: Nicholas Brown, Joseph Milner, Ethan Capes, Jaiden Carter.
 Front row: Oscar Keenan, Austin King, Aaron Martino, Joshua Loughnan & Titan Millen. Absent: Benjamin Middlemas.

Auskick Year 3 Kangas

It has been a pleasure to coach the Kangas during the 2013 season.

One of the most rewarding aspects of coaching is in seeing the players improve their skills during the season and also playing better as a team. We have a wide range of diversely gifted and skilled individuals who compliment each other brilliantly. We have shown examples of this throughout the season; when we play as a team we are very, very hard to beat.

The Kangas have been improving each week and if it continues, it will be very exciting to see how the children perform in the 2014 season.

I have been blessed with a great team who are extremely talented and have had to keep reminding myself that they are only 7-8 year old children. They are all simply sensational !!!

Ben Middlemas: A highly skilled left footer with a complete all round great game and is consistently one of our best players each and every week – amazing effort, well done.

Ethan Capes: Has amazing hand/eye co-ordination and is our best hand baller in the team and reads the play very well- super effort, well done.

Joseph Milner: Has no fear and doesn't think twice about running back into oncoming traffic, putting his body on the line at every contest - terrific effort, well done.

Titan Millen: Gives his all every time he steps over the line. He is a ferocious tackler and likes rustling the feathers of his opponents – great work, well done.

Oscar Keenan: Our smallest player but makes up for it with a big heart. A greatly improved player and gets better every week – super effort, keep up the good work.

Austin King: Had a break out game during the year and has never looked back. He has gone from strength to strength and has developed a wicked side step – terrific effort, well done.

Nicolas Brown: Has greatly improved in all areas of the game. Especially in his marking and continues to develop his game – great effort, keep up the good work.

Joshua Loughnan: He is a real tough nut and is leading our contested possession count. He is always putting his body on the line, at the bottom of every pack and in the marking contest - extraordinary effort, well done.

Jaiden Carter: Our tallest player and number one Ruck man, uses his gift of height to his and the teams benefit by winning most of the hit outs to advantage – well done.

Aaron Martino: A highly skilled, naturally gifted left footer who can play anywhere but loves to kick a goal and can kick them from anywhere and under pressure - superb effort, well done.

I would like to thank all the parents and volunteers that have helped out all season. I would also like to thank Danny our Manager, who has assisted in bringing it all together.

*Kind regards,
Sal Martino*

Auskick Year 3 Eagles
Team Sponsor - Como IGA

Left to right
Back row: Dave Wallace (Coach), Angus Wallace, Kenzo Le Vaillant, Ollie Watkins, Mitchell Hartland, Lee Watkins (Team Manager)
Front row : Lucas Abbs, William Stagg, Anderson Clement, Aidan Willett, Tom Cunningham.

Auskick Year 3 Eagles

The Year

The year started off with plenty of excitement – the kids were excited the 2012 team was kept together, the parents were very excited that they all knew each other, and the coach was happy he knew exactly what he was in for! Year 3 Auskick brings tackling to the game and from the first quarter played we knew this year was going to be faster and harder (note: well done parents for going against the protective instincts and not freaking out!). The boys responded really well to the rule changes and learnt quickly so we could start practicing on skills and other gameplay. Having played together for two years (or more), the boys now have a real taste of what it is like to be part of a team where everyone contributes and loves playing with each other. I am really looking forward to seeing how the boys develop from here – bring on 2014!

The Eagles

Aiden Willet: Aiden is cucumber cool under pressure and always seems to have plenty of time when he has the ball. Aiden has worked hard on his skills at training all year and this shows during games. Keep at it, you cool dude.

Angus Wallace: Angus loves getting the ball and running fast which must have frightened a few opposition players this year! A booming kick and fearless attack on the ball, Angus is a force on the football field. Great year little man.

Ando Clement: this year Ando worked out his feet can go as fast as his mouth! And boy did he go fast down the wings bouncing the ball all the way. Well done Ando, it was fantastic to see your skills and confidence improve all year.

Kenzo Le Vaillant: this year Kenzo perfected 'selling the dummy' to many opposition players who ended up just watching him sidestep past them. Hopefully you are back next year Kenzo, but if not make sure you take a footy ball to Japan and show them how it's done!

Lucas Abbs: "Abbsy" just ran and ran and ran all year. Lucas is a great reader of the play so always gets himself in the right position, even when he has to lead 5 times! Always in the thick of it, Lucas often ended up getting hurt but showed true grit in always getting up and playing on. Great stuff Abbsy.

Mitch Hartland: big Mitch was raring to go right from the start, and it showed on the field. Mitch's powerful runs, big screamers and huge kicks were a pleasure to watch. Top work Mitchy.

Ollie Watkins: the most improved Eagle of the year, "Johnno" really stepped it up this season. Ollie's burning desire to get the ball and non-stop footy kicking practice has really paid off. Keep it coming Johnno.

Tom Cunningham: like a cat stalking its prey, Tommy C. uses his footy brain really well to get in the best position to get the ball. Tom's sublime skills make him a joy to watch. This year Tom has perfected the banana kick – and he's in year 3!

Will Stagg: sticky fingers Stagg has an uncanny knack to keep hold of marks, especially in the middle of a pack. Will loves getting the footy so much he smiles whenever he gets the ball! Brilliant marking all year Will.

Thanks to all the boys for showing so much enthusiasm all year, even when the noise did down down out the coach at training. Thanks also to all the parents for the oranges, the jumper washing, goal umpiring etc. A special thanks must go to Shane and Jimmy for all your help at training, and to Lee for being Eagles team manager and getting us all to the right place at the right time.

Left to right
Back row: Paul Jervis (coach) and Ryan Sedgwick(Manager/coach) Middle row: Liam Briers, Saxon Slater, Damon Jervis, Joshua Kelly, Paulo Francisco Front row: Taj Lowe, Quayden Roe, Joshua Sedgwick, Blake Wilkins, Sean Dickson Absent: Aramis Tilli

Auskick Year 3 Demons

Well, it was a tough start of the season for the Demons, Damon, Liam, Sean, Blake, Joshua. K., Aramis, Paulo, Joshua. S. and Taj fought well but with such a small squad we struggled to field a side in the first 3 weeks. That all changed when (after getting club and parent permission...thanks to both!) we signed on Quayden and Saxon. This gave us the depth needed to be competitive week-in-week-out. Stand Out moments being how all the boys carried themselves while playing Belmont, Lynwood and Manning, displaying unselfish teamwork on the field and camaraderie off to great pride.

Big shout out to Ryan Sedgwick for managing us so well, even under his massive career workload, and also to all the other parents who assisted with umpiring, timekeeping, goal ump, assist training, washing jumpers etc. etc. Individual accolades will follow for each player, however our strength has been our willingness to share with our teammates and I think that is reflected in our parent participation.

Liam Briers: Is a strong player with plenty of determination around the football. He will be an asset to any future team.

Sean Dixon: Sean's courage in the pack continues to amaze onlookers while his disposal has improved immensely.

Blake Wilkins: has an overhead mark to rival Josh Kennedy and his passing hits teammates on the chest regularly.

Joshua Kelly: Is a dogged player who's focus and strong ball handling have saved the Demons on many of occasions. Josh also loves a shot at a screamer if the opportunity arises and why not?

Damon Jervis: Rucks, defends and kicks goals, Damon is developing a solid mark and attack on the ball.

Aramis Tilli: Has needed no coaching from me! His skillset is prolific and beyond his years and on game day I simply ask what I need of him and he delivers. In need, his teammates look to him for guidance and that is a great achievement for hard work.

Francisco Paulo Mathew: "Paulo's" involvement in the game has grown considerably, including strong marking and solid kicking.

Joshua Sedgwick: Joshua's running and leading have given us another solid option moving the ball forward, with a very good understanding of field positioning, Josh is in the action regularly without over-running himself.

Taj Lowe: For a 1st year player Taj's development has matched his effort and from mid-season he has overcome his jitters and is now regularly notching up possessions, his first goal in Round8 being a particular highlight!

Quayden Roe: With a spearing kick, strong mark and silky ground skills, Quayden is handling the added pressure of competing in an older league remarkably well.

Saxon Slater: Has a contagious positive energy that the whole team embraces and feeds off. With a strong build and great vertical leap, Saxon has the tools to achieve in football if he so desires.

South Perth Junior Football Club
Auskick Year 1 & 2 Wizards
Team Sponsor - Stingrays 100 Club

Left to right
Back row: John Hall (manager), Dave Allen (Coach) Middle row: Van Richardson, Sam Hall, Aidan Edmiston, William Trager, Zach Burrows,
Bailey Allen Front row: Jamie Erak, Saxon Hays, Aidan Young, Peter Alexander, Lennox McGrath

Auskick Year 1 & 2 Wizards

The Wizards are a strong team comprising of a reliable mix of year one and two players. They are well skilled in the art of football and work hard to maintain their superior fitness. The team has a strong focus on sharing the responsibilities around and being there for each other. Long straight kicks, hard running and solid marking are definitely attributes they should be proud of. The Wizards are a team that have fully developed over the past two years and are ready for the action in the older grades.

Bailey Allen: A strong and agile player who demonstrates excellent skills and knowledge of the play.

Lennox McGrath: Versatile and energetic, Lennox has matured into a player who has learnt how to be a great team player.

Peter Alexander: Mighty Peter possesses the speed of a leopard and the heart of a lion. A skilful player who loves a goal and celebrates as hard as the best.

Aidan Young: Aidan has a love for the game that would rival anyone. He has an excellent kick and overhead mark for his age.

Van Richardson: Van is a remarkably improved player who has turned into a real asset in front of goals. Kicking goals would be his favourite thing.

Aidan Edmiston: Aidan is a keen runner who has learnt to become a team player. He possesses a strong mark and loves to kick the ball long distances.

Sam Hall: Sam is the ultimate all rounder and is equally at home in any position. He is a very strong player who runs hard at the ball and always enjoys the game.

Jamie Erak: Jamie has the best manners and has listened extremely well to the instructions. He has developed his kicking and will continue to enjoy his footy next year.

Zach Burrows: Zach continues to improve every week and is developing into a very strong and versatile player. He loves the excitement of the game, has a great mark and is a huge asset to the team.

William Trager: Will has a prestigious kick and is learning how to read the play of the game. He has strong hands and is very useful during the ruck contests.

Saxon Hays: Saxon possesses a genuine excitement and love for the players in the team. His kicking and game sense has improved.

*From their proud coach.

Auskick Year 1 & 2 Rockets

As a first season coach, I'd like to thank the rockets for making it a pleasure to coach them.

In addition to that I'd also like to thank the parents for turning up each week, especially the managers and Ross.

It has been great to watch the boys develop their skills over the season and I'm sure everyone will agree that they have come a long way.

At the start of the season we set out to develop kicking, marking, handballing skills and team play, I feel we achieved a vast improvement in all these areas and had fun doing it.

Hopefully all the players will be back next year to build on this year's hard work.

Carter Pemberton: Carter has a booming kick and strong mark and is always finding the ball whether it is playing in defence, the mid field or forward.

Marcus Cocksedge : Marcus uses his pace and ability to read the play to a key role in feeding his other team mates making him an ideal centre-man.

Luke Williams : Luke has a great presence on the field and uses his strong kicking to clear the ball in defence and kick some long range goals.

Gabriel Dennison : Gabriel runs all day and has developed good team work skills and moves the ball cleanly through a Pack.

Dominic Osman : Dominic's strong right foot and running always keeps him in the mix when the ball is needing to be cleared or a goal beckons

Hugo Otope : Hugo is a tireless worker and has improved greatly over the season in all areas, turning him into a great contributor.

Liam Capes : Speed and fearlessness are Liam's key weapons, always first to ball and never one to take a back step.

Austin Delic : A combination of a big kick and a strong mark make Austin one of our best full forward, once he gets the ball, a goal is not far away.

Lucas Borrromei : Heart and intensity, backed by strong skill in kicking and marking make Lucas a player to watch out for, for the opposition.

Jay Tritton : One of the big improvers this year, Jay's skill and heart have made him a pleasure to coach over the season.

Oliver Abbs : Oliver is one of the best grabs in the team and he is one of our biggest possession getters, his speed makes the opposition look ordinary.

Declan Collins : One of our other big improvers, his keenness at training is transferring to the field where he is gather more and more possessions each week.

Auskick Year 1 & 2 Warriors

To all the Warriors, thank you for making this year such a successful and enjoyable season. I've really had fun coaching all you boys this year and I've especially enjoyed watching all you players develop new skills and improve your skills to become great little footballers. I'm very proud of how well you have all played this year. All players gave 100% throughout the year at training & on game days, you all responded well at all times and grabbed each challenge with both hands. I hope all players have enjoyed the season as much as I have and I hope to be able to watch you all play footy over the coming years. Keep working on those skills boys & who knows, we may just have some future AFL players in the team..

Well done on a fantastic season boys. Go Warriors!!

I would also like to give a huge thank you to Scott Edmiston (Harry's Dad) as joint coach, Brad Park (Josh's Dad), Leon Stielow (Marshall's Dad) and Simon Uebergang (Blake's Dad) for all the help at training and on game day, I wouldn't have been able to get through all the drills at training without all your assistance. Another huge thank you to Brian Conrick & Jacqueline Seligma (James Mum & Dad) for taking on the role of team Manager and keeping everyone fully informed & especially for the end of week emails before each game to remind us of whose turn it is for Oranges & Jumpers. A massive thank you to all the parents of our little Warriors, it would be impossible to have a team without the parents making sure the boys get to training & the games on time and supplying cut oranges/watermelon and washing jumpers.

Player Summary

Jack Oldham: in & under player who can run all day and play anywhere, hard at the ball, has a penetrating right foot, great skills, loves the odd goal. Reminds me of Collingwood's Jamie Elliot.

Josh Park: has great skills, takes a great mark & loves a shot on goal, got a bag of goals on a few occasions, also a great ball getter. Reminds me of Collingwood's Scott Pendlebury & Dane Swan.

Luke Herbert: great all-rounder with great skills, particularly good in the middle and around goals, takes a great mark & is a terrific shot on goals. Reminds me of West Coast Eagles Nic Nat & Mark Le Cras.

Blake Uebergang: a great team player whose skills have improved vastly throughout the season, takes a great mark and loves a shot on goals. Reminds me of Carlton's Eddie Betts.

James Conrick: always brings plenty of enthusiasm which has paid off with improved skills, great ruck tap work, a good tagger & great team player. Reminds me of Collingwood's Tim Broomhead.

Harry Edmiston: A ball magnet who has great skills, can play anywhere and run all day, takes a great mark & is hard at the ball, also loves the odd goal or 2. Reminds me of Essendon's Jobe Watson.

Hudson Vost: hard at the ball & really takes the game on, has a fantastic contested mark & loves taking that speci diving mark, has great skills & can run all day, loves slotting the odd goal from anywhere. Reminds me of West Coast Eagles Luke Shuey & Mark Le Cras.

Kenichi Makita: great tap ruckman who wouldn't have lost a tap this year & has shown significantly improved skills. Reminds me of West Coast Eagles Nic Nat.

Taj House: rarely lost a tap ruck, takes a great mark & a great goal kicker. Reminds me of West Coast Eagles Nic Nat & Hawthorns Buddy Franklin.

Marshall Stielow: A defensive weapon who is hard at the ball & a great tap ruck. Reminds me of West Coast Eagles Dean Cox but at times reminds me of WWF Champion Hulk Hogan when the ball is at the opposite end of the ground.

Hayden Johnson: is a flashy wingman who always manages to find space, has good skills that are continually improving, takes a great mark and doesn't mind a shot on goal either. Reminds me of Richmond's Trent Cotchin.

Auskick Year 1 & 2 Boomers

Season 2013 has seen the Boomers continuing their tradition of dominating the district, state and national Auskick competitions. Media commentators consistently point out our 'lucky' run without injuries to our key players as the main reason for our consistent success. Luck has nothing to do with it. All the players put in an outstanding pre-season to ensure their bodies were in tip top shape and many played throughout the season with injuries that would have sidelined lesser players. It's testament to the Boomers never say die culture, sportsmanship and team camaraderie that we had a full squad for every training session and every game.

From early into the season AFL talent scouts could be spotted on the sidelines assessing our players. We have since been approached by all 18 AFL clubs and asked to provide a brief but honest assessment of each player on our squad. Utilising all the modern technology and resources at my disposal I have assessed each player and submitted the following findings to talent scouts across the nation:

Matthew Beckett-Cooper: Strong, natural forward who lived with a lot of hype all year and stood up to it. Thinks a second ahead of others, which meant he was hard to catch on the lead. Takes mark after mark after mark, and has plenty of agility too. One of the best, most complete tall forwards to have come through the system in years.

William Burrell: A guy who you just naturally love watching play. Quick, creative and cheeky. As an outside, running player, uses the ball really nice, both kicking goals and creating them, one of those special players who simply knows where the goals are. Loves to tackle and puts his head over the footy when it's his turn to go and get it. Future leadership material here.

Flynn Fulton: Absolutely outstanding prospect. His work ethic and application to his footy are second to none and as a player lock him in for a very long career with the way he goes about his footy. Has great versatility and can play midfield, up forward or down back comfortably. Also has a bit of an outside receiving feel. Top 10 draft pick.

Fraser Graham: The footballer's footballer. Everyone would like to be like Fraser. His courage to run hard and to put his body on the line could never be questioned. Sublime skills and a fine reader of the play, by the end of his time in the AFL he will be a 300-game player. If this kid doesn't go number 1 in the draft then the recruiters need their heads read.

Brandon Kift: Can play inside or outside but I like him more as an outside mid. Has allot of AFL attributes and there is a fair bit to work with here. Could be a big time contributor and impact player and I can see him winning a fair few games off his own boot. Has good game sense and an excellent mix of speed and endurance.

Mitchell Marron: A half-back who seems made for the modern game with his ability to read the play well, get into good spots and make his disposals count. Smart, quick player who never seems to lose his head. Runs all day and makes good decisions with the football in heavy traffic. Strong over the ball, clever player with some footy smarts and nice evading skills.

Owen Purcell: A footballer, pure and simple. Not super quick, not an endurance athlete, but has brain power others lack. He gets to the ball first, gets into good spots first, and brings his teammates into the game. Has good 360 degree awareness. If he goes to ground he will get straight back up so quick it can sometimes be frightening. Will make the absolute most of himself.

Connor Roberts: Classy medium midfielder with rare awareness and decision-making ability complemented by skills either side with hands and feet. Is naturally gifted with speed and endurance and is strong overhead. A prolific ball winner and smart user of the footy. Everything he does is quality. Full package.

Jack Rundle: A high character guy that has bought heaps to the Boomers both on and off the field. Comfortable media performer, fan favourite and an absolute jet. A goal kicking midfielder who's exit speed from the contest and hard-nosed approach has seen him elevate into the top echelon of Auskick players.

Sam Russell: A courageous tough nut who isn't afraid to put his body on the line. He thinks he is a bull with the way he plays, he's a very good all round footballer. One thing that stands out with Sam is that he is a gut runner. Fantastic work rate and skills are very good. Tackles hard and when moved forward can kick his share of goals

Noah Statham: Very clean and smart user of the footy. Seems to have so much time. Good under pressure, good skills, good balance and poise. Goal kicking wingman with a long penetrating kick who runs well with the footy. Not fast, but is smart with the footy in the way Scott Pendlebury is and makes the illusion that he has more time than he does.

Griffin Williams-Antulov: How good is this kid? Runs all day, uses it well, hard as a cat's head. Fleet footed winger with great hands and excellent poise. Balance like Judd, kicks goals like Rioli, runs the lines like Jetta, does it all. Will relish the big stage and can see him tearing games apart.

Special mention must be made to my assistant coach Paul Kift and Football Manager Jody Williams. Paul has an uncompromising coaching style and the rare ability to get the absolute best out of the players, and this is a huge reason why we continue to enjoy on-field success. Jody made a pre-season move from Melbourne to join the Boomers and played a central role in maximising the effectiveness of our football department, leveraging her professionalism and diverse sporting experience to get the best out of our on-field team. I would like to thank them both for their efforts throughout the season.

Well done Boomers, what an outstanding group of young men you all are. It's been an absolute privilege to coach you all this season and I wish each of you all the future happiness and success you deserve. Work hard, be good and dream big!

Sven Burrell

Auskick Year 1 & 2 Torpedoes

What a terrific bunch of boys that came together to form the Torpedoes this year! Of course this is no coincidence when you see the committed bunch of parents turn up at training each week. Whether it was helping out with drills or stepping up to challenge the boys in some goal-kicking or a scratch match, the Torpedoes parent group were fantastic. Special mentions to:

Mark Kerr: #1 coaches assistant, turning up every week and getting fully involved with skills and drills.

Tracey Fowler: super organised team manager keeping us all informed and on track every week.

Nando and Nicolé: unrelenting support before, during and after training every week and on game day.

Mike Sonntag & Barry Wakenshaw: for stepping in to help with drills and always encouraging the boys.

It was a real pleasure to coach these boys this year. A good spirit of teammanship developed throughout the season and some solid friendships were strengthened. They began to enjoy seeing each other improve and regularly seek to involve all of their team-mates on game day. Each of them brought something different and made the Torpedoes a truly special team this year.

Jack Fowler: fast and fearless and at times unstoppable. A great asset in the engine room of any team.

Declan Pyne: has a dynamite right foot for finding team mates which makes his run off half-back and through the midfield particularly damaging.

Oliver Kerr: very silky skills with both hand and foot and extremely efficient at mopping up any loose ball to regain possession.

Michael Nicoletti: reads the play and ball movement very well, gets into position and racks up touches.

Riley Wakenshaw: tall and strong bodied, has key position player written all over him. Also a real team player who always looks to share the footy around.

Damian Mahon: every team needs a Damian, so courageous and dedicated to his footy and a very safe pair of hands under the high ball.

Lucas Taylor: attacks the footy and shows great strength and balance keeping his feet, always giving him the edge at getting first hands to the ball.

Brandon Mudd: a smart footy brain, great at getting into space to make himself the best spot-up target in the forward-line.

Charlie Patten: with speed his natural advantage, he frequently used it beating opponents to the ball and getting the handball to his teammates.

Seth Sonntag: the most dramatic improver during the season, both in skills and chasing down the loose ball and a real pleasure to coach.

Thanks again to all the boys and parents for making 2013 a really enjoyable one for the Torpedoes.

Back row: Matt Raison (coach), Mark Sofield (manager/coach) Middle row: Anjeliqe Raison, Joshua Brittain, Liam Bush, Lachlan Sofield.
Front row: Dylan Brookes, Harper Raison, Noah Dean, Logan Hunt, Leah Thompson Absent: Taichi Dolberg, Luka Tomasevic-Ljubin

Auskick Year 1 & 2 Jedis

What a season for the Jedis. We started the season as a ragtag bunch of lovable larrikins who didn't know much about playing footy and finished up a well oiled football machine.... Well, maybe...

First of all I'd like to say a big thankyou to all of the parents and grandparents who have got the kids to training and the games, as well as helping with oranges, jumper washing, with training and helping with the equipment throughout the season. I'd like to say an extra big thanks to the Jedis Director of Football Operations, Mark Sofield who has made my job so much easier by helping out at every training session and game for the year.

The Jedis had a great season and it was amazing and really rewarding to see every single one of them improve as the season went on. Given that our team had a lot of first timers, I think the way all the kids picked up not only the skills but also the flow of the game during the season was fantastic. By the end of the season, every game saw some great kicking, marking, passing and defending. It has been a pleasure to coach the Jedis this season, I had a great time and look forward to seeing everyone next year.

Anjelique Raison: Anjelique is a courageous mark and resolute defender, and opposition forwards know they will be in for a long day when they see her lining up next to them.

Liam Bush: Always dangerous in front of goals, Liam is capable of kicking big bags when on song and delivers some quality high fives.

Dylan Brookes: Dylan is an accurate kick and has great hands in close. His passing by hand or foot has been a highlight.

Taichi Dolberg: Tai runs all day long and is regularly in the team's high possession winners. He has been a pleasure to coach.

Joshua Brittain: Josh has a booming right foot and plays with intensity.

Harper Raison: A tireless worker in both defence and attack, Harper is always a consistent performer.

Logan Hunt: Logan is a great kick and his game sense has steadily improved so he is now a solid contributor each week.

Lachlan Sofield: Lachie has been one of the most improved players for the season. He has really progressed in all areas of the game and is a valuable part of the team.

Leah Thompson: Leah is the spiritual leader of the Jedis. Her enthusiasm is infectious and her ruck work has been spectacular!

Luka Tomasevic-Ljubin: Luka's smiling face is always welcome and he always tries his best for the team.

Noah Dean: Noah has shown great improvement over the season and is a great defender. His kicking and game sense has also improved and he has turned into a valuable contributor.

 Front row: Kai Otway, Damon Christianopoulos, Cameron Keenan, Benjamin Berryman, Christian Potter.

Auskick Year 1 & 2 Pythons

What a great season we have had with the boys skills improving in leaps and bounds every week. We have had some GREAT fun and laughs and formed a real team bond.

A huge thanks to the parents and grandparents who have helped out at training, on a couple of occasions taking the whole training sessions, giving the boys a run and putting them thru some drills. THANK YOU.

Thank your to our team Manager, Michelle Otway for keeping us informed of any team and club information we have needed to know. To our little Junior Assistant Manager, Aleya Otway who at every game distributed all the team jumpers, got awards signed and assisted in giving them out, thank you.

Brodie Kitchen: loves to play in defence and stop a goal, even likes to creep down to kick a goal himself. Celebrates every goal with great enthusiasm.

Matthew Gibson: Displays excellent all round skills with marking, hand balling and kicking, put him anywhere on the field and he is a success.

Benjamin Berryman: is quick and nimble around the ground racking up the possessions under the oppositions feet.

Kai Otway: Takes a great mark and with his pace has the ability to run to space and make good use of the ball.

Indiana Bond: has a fantastic kick and his knowledge of the game has improved dramatically making a real impact on the team.

Tyler Weston: is excellent in defence ensuring the opposition player doesn't get an easy possession.

Cameron Keenan: over the season we have watched his confidence and ability grow week by week gaining a strong kick on him to get the ball down the field.

Nicholas Young: Moves well around the ground for a big man and always loves going forward to snap a goal.

Nicholas Adams: has developed well throughout the season with his ball skills making an impact on the game on a weekly basis.

Christian Potter: Shows great decision making and always brings his team mates into the game with his ever improving ball skills.

Damon Christianopoulos: His confidence with his ball skills has increased each week allowing him to slip in a sneaky goal or two.

With great family support on the sidelines these Mighty Pythons have come a long way as a team. they have developed great skills along the way and have really worked well together.

You have done us proud Pythons!

THANK YOU

 Cameron Gordon Front row: James Chilcott; Levi Carle; Todd Hassett; Jack Edmondson; Cayden Chun

Auskick Year 1 & 2 Dragons

From the first training session on a miserable May afternoon, and the amount of boys that turned up, I knew we were in for a great season. Playing our first match, the boys blew me away with their desire to share the ball with each other and from then on, they continued to improve in all aspects of the game. Our spreading out and giving the kicker several options improved, as did our ability to hit targets. The boys also learnt that footy is about having fun and not all about winning (not an easy thing to tell the boys!). The boys' commitment and love of the game could not be faulted. This in many respects is due to the parents. Without your help throughout the season whether it be supplying oranges, washing jumpers or providing transport to and from training and games, the season would not be a successful one, so thank you! Massive thanks must go to Terese Edmondson for filling the role of manager this year, your work during the season was outstanding. A special thanks to all the parents that helped out on match day, but in particular, training - it made my job a lot easier, so thank you.

Cameron Gordon: A Really Smart Footballer That Used His Great Decision Making To Find The Ball And Then Pass It To A Teammate Or Kick A Goal.

Cayden Chun: His Pace And His Disposal By Foot Were Used To Great Effect To Set Up Several Forward Thrusts.

Christo Manios: Could Dispose The Ball By Hand Or By Foot Superbly And Was Always One Of The First To Training.

Daniel Fiddock: A Huge, Line-Breaking Right Boot, Which Could Tear Up Any Opposition Defences.

Jack Edmondson: Continued To Improve His Skills. He Goes Hard At The Ball And Loves To Kick A Goal.

James Chilcott: Improved His Skills Out Of Sight, Which He Then Used All Round The Ground Expertly.

Levi Carle: Very Good Skills. His Kicking Efficiency Was Outstanding, As Was His Marking Especially In Defence.

Marcus James: Really Solid All-Round Skills With A Handy Knack For Kicking A Goal Or Two.

Miles Morgan: A Booming Right Foot And A Smart Footy Brain, The Perfect Combination!

Todd Hassett: Really Classy Skills And Could Find The Big Sticks From Anywhere On The Park.

Keep practising those skills boys and hopefully we'll see you down next year!

Frank James
Coach

What a fun and exciting season of Auskick we had. It was great to see so many kids down at the club each week, fantastic to have 3 girls in our group as well.

After a few weeks we settled into a good mix of skills training and Auskick games, I think all of the kids have learnt new skills and improved on those as the season has gone on.

I would like to give a big thanks to Brent Daily, Luke Tannock and Grant Collins for their help and support every Tuesday. Great to

have one of the mums, Steph Cook help so often as well. Thanks also to all the other parents who chipped in running the drills, goal umpiring and supporting during the games.

I can't wait for next season and I look forward to seeing all of you back then. I hope you all had as much fun as myself and the other coaches have had. Keep practising with your parents, brothers and sisters and friends.

Mark Longton.

Left to right

Front row: Callum Cook, Oliver Marais, Jasper Smith, Ben Davies, John Tannock, Levi McGrath, Xavier Crebs
Back row: Casey Jackson, Aiden Brennan, Hayden Clark, Baxter Grey, Ryan Drummond, Rory Cook.

Callum Cook: loves to carry the ball, enjoys a scrap with his brother

Oli Marais: loves to wrestle, even when the ball is not in sight

Jasper Smith: developing into a great young footballer

Ben Davies: booming kick, clean marker of the footy

John Tannock: hard running defender, ball magnet

Levi McGrath: improved throughout the season, great team player

Xavier Crebs: great shot for goal, hard at the ball

Casey Jackson: often first at training, awesome kicks

Aidan Brennan: loves footy so much he never wants the game to end

Hayden Clark: beautiful long kick, good defender

Baxter Grey: wonderful all round skills, shares the ball well

Ryan Drummond: hunts the footy, loves breaking into the clear

Rory Cook: defends like a glove, got better each week

Absent

Connor Cusak: progressed well through the season, will be slotting goals next year

Nick Dolberg: powerful kick, loves to take pack marks

Wesley Hartland: great footy skills, very clean user of the ball

Charlie Jenkins: skillful around the goals, helps out his team

Aiden Evans: energetic player, competes hard on the ground

Emilie Evans: mixed it with the boys, neat little kick

Kaelem Evans: vocal team player, nice shot for goal

Novak Tomasevic-Ljubia: kicking improved as the season went, great chest mark

Xavier Ulgiati-Ferreira : great competitor, good footy skills

James Byrne: centre half forward is his spot, good goal kicker.

Luke Tannock

UMPIRES

Back row: Rob Ramsden, Ty Gent, Michael Bleakley, Chris Loughnan

Front row: Morgan Ramsden, James Loughnan, Toby Price, James Knight

This year, 10 of our South Perth Junior Football Club players/past players/parents formed part of the Demons District Umpires Panel. The umpires train every Wednesday between 5.30 and 7.30pm with a combination of on field drills and fitness training, and instruction on rules, interpretation and decision reviews in the training room. They work together as a team, with the more experienced umpires passing on their knowledge and capability from game practice to the new umpires. Social functions organised by the Demons District Football Umpires Association also provide the opportunity to develop new friendships.

Depending on experience umpires from South Perth, we have controlled games from year 4 up to year 12 this season. With this new gained experience, we are now able to progress through to the next levels, ultimately moving to advanced development squads and umpiring at senior community level. Former players from South Perth Junior Football Club are currently involved in umpiring at senior levels including WAFL matches.

There is a clear pathway for umpire development, with the training and mentoring provided by the Demons District. Young players with a passion for the game are encouraged to consider umpiring. It can be very rewarding in developing strong communication, decision making, leadership, confidence, conflict resolution and a better understanding of the great game of Australian Football. The extra pocket money helps as well!

FORMER SPJFC PLAYERS AT WAFL UMPIRING RANKS

Ryan Sinclair, Beau Wardman and Kyle Sinclair.

- Beau Wardman

Played over 100 games for SPJFC Stingrays and is now the Coach of the Year 11 team. Beau is one of WA's leading umpires and has cemented himself in the top five umpires in WA. Beau has umpired 100 WAFL League games and this year was in the AIS AFL Umpiring Academy.

- Ryan Sinclair

Played 100 games for SPJFC Stingrays and played in the 2009 SPJFC 17's premiership team. He has had a great year on the boundary. Ryan has umpired 73 league games.

- Kyle Sinclair

Played for the SPJFC Stingrays 17's team in the SPJFC 2011 premiership. Kyle is a SPJFC life member, having played over 150 games for SPJFC and is now one of WAFL's leading boundary umpires. Kyle has umpired 31 league games.

WEEDS, AEROPLANES AND FRIENDS

Are you one of those kids who does cartwheels in the corner?

Helps the gardeners with the weeding and other gardening?

Or maybe just a person who makes sure those flights are on schedule and planes are in the sky at the right time all the time?

Well do I have a job for you! FOOTBALL UMPIRING!

I myself am a strong gymnast, a veteran of weeding, and a great park pilot. I would walk off the field with no less than at least one more friend, just another addition to the random strangers I add on facebook. Umpiring allows you to not only achieve these many important tasks, but also permits you to run away from the red bullet of pain, some may call it the football. Stay as FAR AWAY AS POSSIBLE from that thing for the sake of keeping all your bones in the right place, and potentially keep the ability to have children! (which is fair to say)

If you share this view with me, to be a passive and gentle player, come to the army of umpires where we are working together to protect players, and maintain harmony on this world, one football field at a time.

I would finally like to conclude by saying isn't it just great to be paid: to watch people fight over a ball, being amused by the anger and frustration it can cause for players and spectators; and watching mums with champagne in their coffee cups at 8 o'clock in the morning to bare the pain of spectating (whilst being awfully rowdy).

SO SIGN UP TO BE AN UMPIRE, IT WILL BE THE BEST THING YOU EVER DO!

Stephen Loughnan
